WEDDING AND CUSTOM CAKES POLICY

While most cake orders can be handled virtually or with a phone call, wedding, custom, carved or 3-D cakes require a brief consultation and minimum of 10 day notice and **50% NON-REFUNDABLE deposit to book date with balance due 7 days before event date.**

Wedding cake tasting boxes are \$35.00 and come in 4 (cup)cake flavor choices with 2 icing choices- boxed and ready to sample. If you choose to book your wedding cake with Capital Baking Co., the \$35.00 tasting box fee will be discounted from the total price of your wedding cake.

We do things differently than most traditional wedding cake bakers. We do not charge by the serving but by the cake itself. An example - a basic buttercream 3 tiered wedding cake , 6 in, 8 in and 10 inch tiers- filled and covered in buttercream with minimal trim piping would cost appx. 175.00 excluding delivery and with any floral, toppers or decor, etc. being provided by customer. Our delivery fee for wedding cakes is \$50.00 within a 10 mile radius of 270.
