

## Game Day Rules (Revised March 19, 2026)

1. Ladies, please mark your ball
2. March-April **Lift Clean Place** in the General Area in the fairway. This means all areas except hazards and bunkers, one scorecard length. If in standing water, you can place the ball as close as possible from original spot but no closer to the hole. You may move left, right or back.
3. May-November based on course conditions. If CPO (Cart Path Only) play **lift clean** place in the fairways.
4. **Divots** free relief at all times - one scorecard length, no closer to the hole.
5. **Hole 16 Drop** at 150-yard marker with a one stroke penalty
6. **Hole 17 Drop** behind left bunker with a one stroke penalty
7. **Local Rule for out of bounds** is in effect. If you go OB (white stakes), bring your ball back to the fairway where it crossed OB. Add 2 strokes. This means, you hit your tee shot (or whatever shot you are on) and it went OB, you dropped your ball on the fairway in a line where your ball crossed over the OB add 2 more shots. You are now hitting your 4th shot. **OB areas:** Hole **3** is street to the right, Hole **4**, street to the left, Hole **6**, down by Susie's house past the right bunkers, Hole **18**, right of cart path. All other areas are marked red.
8. **Gimmies:** On game day when a hole counts for a game, gimmy putts are **NOT** permitted. On other days (when chip ins only) use your discretion.
9. **Max score per hole:** On game days max score is **10**. Post your score Hole by Hole in GHIN and GHIN will adjust for equitable stroke based on your handicap. If it is chip-in day or a hole that doesn't count for the game you may pick up when you are at your max score which is Net double bogey (par +2 strokes + handicap strokes).
10. Players are responsible for **posting** their scores after each round (when postable). If you play 9 holes, post that score. If we are playing a game where only 9 holes count for the game, you can still post an 18-hole score. Remember to post Hole by Hole.

11. **Cost:** \$1 for chip in. If no chip in, \$1 will be returned. Game Day: \$5. \$1 for chip in and \$4 for game. If no chip-in \$1 will be returned.
12. **Schedule/Calendar:** There will be a master calendar with games listed. Calendar may be subject to change. If 3 or fewer players, no organized game will be played. If there is a game you LOVE, let me know. If there is a game you HATE, let me know. The game calendar can be adjusted.
13. **Payouts:** Paying Net only right now. Number of players paid will be based on the number of players. See Payout sheet for how many places to pay.
14. **9 or 18 Holes.** Ladies may play 9 holes either front or back but priority will be given to ladies playing 18 holes. The 9-hole players will **pay \$1 for** chip ins on a Chip In Day or a Scheduled Game Day regardless of how many holes are played.
15. When we are counting putts DO NOT PICK UP YOUR BALL, you must putt out.
