RE: 2023 Law Day Art and Essay Contests for High School Students

Dear Principals and Teachers,

The Black Law Student Association-BSL Chapter (BLSA-BSL) is proud to announce its 2023 Law Day activities! This year is going to be a time of dynamic learning and fun for all involved!

Law Day is an annual national event celebrating the role of law in our society. The 2023 Law Day theme will be **“Cornerstones of Democracy: Civics, Civility, and Collaboration.”** The American Bar Association invites all the people of the United States to join the annual celebration on **May 1, 2023**. This year’s theme focuses on rebuilding trust in our institutions, respect for one another, and our willingness to collaborate to address the challenges that face our nation.

There are two contests this year for students in 9th – 12th grade to participate in:

- Art Contest (Art Contest contact: Rachel Allen, LawDayArt@outlook.com)
- Essay Contest (Essay Contest contact: Miracle Mixon, LawDayEssay@outlook.com)

Prizes will be awarded to the top three (3) applicants from each category. The First Place Winner from each category will receive \$250.00, the Second Place Winner will receive \$100.00, and the Third Place Winner will receive \$75.00.
