National Black Law Students Association

Striving to Balance Since 1968

The National Black Law Students Association (NBLSA) is a national organization formed to articulate and promote the needs and goals of black law students and effectuate change in the legal community. As the nation's largest student-run organization representing nearly 6,000 minority law students from over 200 chapters and affiliates throughout the United States and six other countries.

NBLSA has over 200 chapters organized into six regions (Northeast, Mid-Atlantic, Southern, Midwest, Rocky Mountain and Western Regions). These regions are then divided up into sub-regions. BSOL's chapter is in the Southern Region, Sub-Region 5.

With its headquarters located in Washington, DC, NBLSA encourages the development of talented, social conscious lawyers of tomorrow. Each year, the organization holds an annual convention to engage in legal activism and prepare new generations of black lawyers to "effectuate change." Additionally, the Frederick Douglass Moot Court, Thurgood Marshall Mock Trial and International Negotiations Competitions are held during its annual convention.
