

Dear Valued Community Leader,

October 30, 2025

On behalf of Brain Tumour Foundation of Canada, I am pleased to express our support for *Tumour Takedown - 3rd Annual Glioblastoma Fundraiser and Concert* - taking place on May 1, 2026, at the Gaukel Memorial Community Centre, in St. George, ON. This inspiring event is being held in support of Glioblastoma research and in honour and memory of dear friends and community members who have been impacted by a brain tumour.

With proceeds from the event directed toward our efforts to support the brain tumour community, we are deeply honoured by the commitment of the *Tumour Takedown* organizers (Leslie, Fiona, Trish and Stacy) to raising awareness and making a meaningful difference in the lives of individuals and families affected by this devastating disease.

For over 40 years, Brain Tumour Foundation of Canada has been the only national organization dedicated to supporting every Canadian affected by a brain tumour, whether malignant, non-malignant, or metastatic. Funds raised through community initiatives like *Tumour Takedown* make it possible for us to fuel life-changing research that advances treatment options and moves us closer to a cure.

When you sponsor or donate to *Tumour Takedown*, your support extends far beyond a single event. Your gift will also ensure that critical research into the cause of and cure for brain tumours will continue. We are proud to partner with *Tumour Takedown* and are excited to see the local community come together to support this important cause.

If you would like to become an official sponsor for this event, please visit their website www.tumourtakedown to see the various sponsorship opportunities available. For more information on their event, please email info@tumourtakedown.ca or call Leslie at 519-212-6667.

Thank you for considering this meaningful way to make a lasting difference. Together, we are helping put hope into action for the brain tumour community across Canada.

If you have any questions, please do not hesitate to contact me at 519-642-7755 ext. 238 or email jtervugt@braintumour.ca

With warmest regards,
