

ECBA BEE SCHOOL 2026

Classes will be held in person at UConn and virtually using Zoom in January 2026

This four session series of classes, taught by experienced beekeepers, will focus on the basics of beekeeping and take you from selecting and preparing the necessary equipment to managing your hive as the season progresses. These classes will help you avoid the pitfalls that often derail a beginner's first attempt at this fascinating craft. The cost is only \$50, which includes your household's 2026 membership in the Eastern Connecticut Beekeepers Association.
