

KNIGHTLIFE

FUNDRAISING PACKAGE

Help us fund programs and enrich youth!

ABOUT US

Our purpose is to support the enrichment and educational programs for all children of Rossmoor Elementary School. This is accomplished by raising funds for staff, supplies for professional development of personnel, and for purchasing the equipment needed to run the educational programs funded by *Friends of Rossmoor*.

Knightlife is our largest annual fundraiser and will take place on Saturday, March 28th, 2020!

This year's extravaganza, typically attended by parents, faculty and community members, includes dinner, music, and silent and live auctions, is being held at the Navy Golf Course in Cypress, CA.

WHAT YOUR GIFT MEANS

Your support on any level is absolutely life changing for our students. With your help, the students at Rossmoor Elementary will continue to have an amazing STEM Lab, enrichment supplies for our Inspyr Art Program, and unique experiences that are truly invaluable to their future.

By supporting Knightlife, you will help the *Friends of Rossmoor* provide meaningful memories that will last a life time!
