Identifying Needs

It is very important to identify the needs and demographics of the person you are trying to help.

Ask as many questions as possible.

Important Questions to Ask

When was your last meal?

Are you single or married?

Do you have children?

Have you applied for county assistance?

Have you been treated by a Doctor for any mental illnesses?

Do you struggle from or have you ever struggled with alcohol or substance abuse?

Do you have any family that would be willing to help? Can we contact them?

Do you have a place to stay tonight? How long can you stay there?

Do you have an income?

Do you have any felonies?

If they have children: Ask “Have you applied for the one-time homeless assistance through the County of Riverside?” (See pages 6 & 7 for program details.)

*Please contact Project TOUCH for assistance in screening clients or for a sample of our intake form. Office Number is (951) 677-9961.

"Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' "Then the 'righteous' will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?'

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'" ~ Matthew 25: 34-40
