FORT BEND COUNTY SHERIFF'S OFFICE

**A free program for the elderly
and those with disabilities**

"The Fort Bend County Sheriff's Office is proud to serve our aging community. Remember, You Are Not Alone."

What is YANA?

How the program works

Calls are made by background checked volunteers Sunday through Saturday from 8:00 a.m. to 4:00 p.m.

A daily log is kept to verify that contact was made and to note any special requests or information such as doctor visits.

If a YANA member does not answer after 3 attempts, the volunteer will call the member's emergency contact to verify the wellbeing of the member.

If the member's well-being is unknown, the volunteer will contact dispatch to conduct a welfare check. Then a law enforcement officer will arrive to the member's home to verify their safety.

Volunteers can also visit YANA members as needed to conduct household tasks. For many participants, the visits are the only social contact they have during the week.

To become a volunteer, visit our website.

You Are Not Alone is a telephone reassurance program sponsored by the Fort Bend County Sheriff's Office for seniors and individuals with disabilities of Fort Bend County who live alone.

This FREE service allows older adults to find comfort and security knowing that someone will be checking in on them on a daily basis and in the event that something does happen, family and friends will be notified.

The YANA program has saved many lives for those that live alone.
