**Walden's Ridge Civic League Policy  
regarding Soccer Practice Field  
and other outdoor facilities  
Adopted Jun 7, 2021**

WRCL considers the field, playground, and pavilion a community resource. As such the facilities are to be first come, first serve to all residents of Walden's Ridge.

WRCL does not desire regularly scheduled organized sporting events that would preclude the use of the facility by other residents or the league itself.

WRCL may reserve any of the property for scheduled events from time to time.
