

Upcycling in your garden

Repurpose items for a second life in your garden

- ◆ Use pallets as planters, or as seats.
- ◆ Old wellingtons as flower pots
- ◆ Old ladders for hanging plant pots off of or creating trellis

- ◆ Build a shed out of old doors and windows
- ◆ Use old hessian bags instead of plastic grow bags

- ◆ Give your old kitchen pots and pans a new life as flower planters
- ◆ Old cupboards as potting bench and store
- ◆ Use paint to brighten up fences, sheds and garden furniture
