- 69. 1 Ginger Cake
- 70. 1 Victoria Sponge – see recipe below
- 71. 1 Cake made with Vegetables
eg Beetroot, Carrot, Courgette
- 72. Elderflower Cordial – see recipe on right

Victoria Sponge:

175g (6oz) soft Butter
 175g (6oz) Caster Sugar,
 175g (6oz) SR Flour
 3 large Eggs,
 A few drops vanilla essence,
 Strawberry jam filling and caster sugar
 to finish.

METHOD

- Cream butter and sugar together until fluffy, add beaten eggs a little at a time so as not to curdle.
- Add the essence, fold in the sifted flour with metal spoon to a dropping consistency.
- Divide mixture between 2 x 8"/20cm tins.
- Oven: Gas mark 3, 325F/170C/160 Fan for 25 – 30 mins.
- Sandwich sponges together with strawberry jam, finish with caster sugar on top.

Elderflower Cordial: (Makes 2 Litres approx)

25–30 elderflower heads, freshly picked
 3 unwaxed lemons – zest and juice
 1 orange – zest and juice
 1 kg sugar

METHOD

- Inspect the elderflower heads carefully to remove any insects, snip off large stalks.
- Place the elderflowers into a large, heatproof bowl.
- Grate the zest and squeeze the juice from the lemons and oranges over the elderflowers.
- Pour 1½ litres of boiling water from the kettle over the elderflowers and zest.
- Stir to ensure heads are submerged, then cover and leave overnight.
- Next day – Line a large sieve with a piece of folded cheesecloth or muslin and place the sieve over a large saucepan.
- Tip in the contents of the bowl into the sieve, press down with a spoon to push all the liquid out of the elderflowers and zest, discard them onto your compost heap.
- Put the saucepan over a gentle heat, stirring whilst adding the sugar until it is all dissolved.
- Turn up the heat and simmer the cordial for 3–5 minutes.
- Carefully pour the elderflower cordial into warm sterilized bottles using a jug and funnel
- Seal with tops and leave to cool before storing in the fridge for up to a month.
