Key to success: Operation Trust, Quality product, and 3 S (Share the Gospel, share what you have, share the love)

Implementation steps to consider

First year budget (License + initial order processing + rent + labor + logistic) for 10 MDD teams would estimate 2,000,000 KSH for the first year till we see breakeven point

Purpose

- Establish spiritually and financially sustainable Psalm 110/Hebrew 10:11-19 Morning Dew Disciples with local churches.
- Action on mission of shine the light (3S operation) by sharing the Gospel, sharing what you have, sharing the love of God among the community people
- Establish children scholarship fund (ELTOTO) for needy children
- Establish networks of team with sponsoring churches and local business people
- Motivate and support local church evangelism
- Establish short-term mission with social and medical service where permits by the local regulations
- Vocational job creation among marginalized population - school with local vocational business

Budget Estimate

Starting fund - 1.5 million KSH (\$ 15,000)
 Operation - after three month to 9 month 600,000 KSH (\$ 6,000)
 Contingency - 1,000,000 KSH (\$10,000)
 Total fund preparation before positive income 3,100,000 KSH (\$31,000)
