# Adoption Form

**I/We, the undersigned Adopter(s) understand and agree to the following terms and conditions of this contract to adopt the aforementioned dog, further described within this document.**

1. The dog will receive proper food and water, shelter, and loving humane treatment by myself and other family members.
2. The animal will never be chained outside or be kept as an “outside” dog for the life of the dog.
3. I agree that the dog will wear an ID tag affixed to a non-slip/martingale collar or harness at all times.
4. I agree to abide by all state and local animal control and leash laws. I understand it is my responsibility to become familiar with these laws and to license the dog according to all regulations.
5. I understand that HAPR has limited knowledge of the animal, including medical issues beyond a regular check-up and standard shots given by veterinarian, background and disposition of the animal. HAPR makes no warranties regarding the health of the dog and disclaims any liability for the dog’s medical condition, sickness, or disease.
6. When I assume ownership, the dog will receive annual vaccinations according to a yearly veterinary schedule and will be treated immediately for any illnesses or injuries that may occur.
7. When I assume ownership, the animal will receive consistent, monthly heartworm preventative AND flea/tick preventative.
8. The dog will not be subject to harassment by myself or other people who live in or visit my home and will be protected from other animals in my care. Additionally, the dog will not be used for experimentation, vivisection, or breeding purposes.
9. I release HAPR, its Board of Directors, volunteers, foster homes and representatives, and the veterinarian treating the dog, from any and all claims and actions, whether for property damage caused by the animal(s) or for personal injury to me, family members and other animals in my care (personal pets or livestock) from biting, scratching, transmittal of disease, and/or any other matter attributable to said animal(s).
10. HAPR cannot be held accountable for the dog showing any signs of aggression if we were not aware of it before the dog leaving. All behavior observed at the rescue will be fully disclosed to the adopter prior to the adoption being finalized. We understand that sometimes dogs’ temperaments change in different situations. All adopted dogs should be allowed a decompression period to adjust to new homes, people and situations. We suggest the 3/3/3 method. Three days to decompress, three weeks to adjust to your routine, and three months to fully open up.

**I understand and agree to the above terms. If, at any time, I am unable to care for the dog according to the conditions stated above, I will allow Have A Puppets Rescue to resume ownership of the dog and will not sell, give away, or otherwise dispose of the animal.**
