Nothing within a condominium declaration and its by-laws will obviate or alter this Declaration of Covenants, Conditions and Restrictions nor by-laws of the Association.

ARTICLE II.

ASSOCIATION MEMBERSHIP. VOTING RIGHTS AND POWERS

Section 1. "Membership" Every owner of a Lot shall be a member of the association; membership shall be appurtenant to and may not be separated from ownership of a Lot, save and except that the Association, as owner of the common area shall not hold membership in itself. If a condominium association is established for a Lot, said condominium association shall be considered as one Member. Each Lot must have its own condominium association. No condominium association shall be established for multiple Lots.

Section 2. "Voting Rights" The association shall have two (2) classes of voting members as follows:

Class A. Class A members shall be all owners with the exception of Declarant and Association, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in a given Lot, all such persons

shall be members and the vote for such Lot shall be exercised as they may determine among themselves. In no event shall more than one vote be cast with respect to any Lot owned by Class A members. If a condominium association is established for a Lot, each condominium association must elect one representative according to its own rules to act as the owner and shall have no greater than one vote.

Class B. The Class B member shall be Declarant, who shall be entitled to exercise ten (10) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or on December 31, 2026, whichever first occurs.

Section 3. "Partial Lot Voting" Any Owner acquiring additional property or properties immediately adjacent to its initial numbered Lot, as provided in Article I, Section 4, shall not be entitled to additional votes as a result of such additional properties, save and except the acquisition of more than fifty percent (50%) of such adjacent Lot, in which case, Owner shall be entitled to one additional vote for said additional property. Any Owner who has sold a minor portion of its Lot, but in any event less than fifty percent (50%) of its Lot, with prior written approval of the Committee as provided for herein, shall be entitled to a full vote as a result of such ownership.

Section 4. "Powers" The Association, in addition to the powers it already possesses in its charter, shall have the power to own real and personal property, to open bank accounts, to enforce this Declaration as herein provided, to obtain a policy or policies of insurance insuring the Association and its members, to make physical improvements to the Common Area as the Association shall deem to be in the best interest of the Subdivision and the Owners, to contract for legal, accounting and other professional services, to contract for security, paving, landscaping and/or any other services, to borrow funds, to employ employees directly or through an operator, to bring an action(s) for injunctive relief and/or damages against any Owner for failure to comply with any Article and/or Section herein, and to otherwise do that which it believes necessary to protect or defend the Common Area and facilities located therein, the Association and/or any of its properties from loss or damage, by suit or otherwise.

Section 5. "Board of Directors" The affairs of the Association shall be managed by a Board of Directors which will be established and which shall conduct regular and special meetings according to the provisions of the Bylaws of the Association. The number of directors and the initial members of the Board of Directors shall be as set forth in the Articles of Incorporation of the Association.

ARTICLE III. ASSESSMENTS

Section 1. "Lien and Personal Obligation of Assessments" Declarant hereby covenants for each Lot within the Subdivision, and each owner of a Lot is hereby deemed to covenant by acceptance of his deed for such Lot, whether or not it shall be so expressed in his deed, to pay to the association (1) annual assessments and (2) special assessments for capital improvements. Such assessments will be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and a continuing lien on each Lot against which such an assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees shall also be the personal obligation of the person or persons who owned the Lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them. However, all future transferees of Lots shall have the obligation, prior to purchase, to verify with the Association and/or Declarant that such assessments have been paid to date and that the property to be acquired is free and clear of all assessed indebtedness.

Section 2. "Purpose of Annual Assessments" The annual assessments levied by the Association shall be used exclusively to promote the health, safety, welfare, and recreation of the residents in the Subdivision, and for the improvements, security, preservation, operation and maintenance of the common area and/or of improvements situated within same or within the control of the Association. Annual assessments shall include, and the Association shall acquire and pay for out of the funds derived from annual assessments, the following:

- (a) Maintenance and repair of the common area to the extent not performed by governmental authority or an Owner.
- (b) Water, sewer, garbage, electrical, lighting, telephone, gas, and other necessary utility service for the common area.

- (c) Acquisition of furnishings and equipment for the common area as may be determined by the Association, including without limitation all equipment, furnishings, and personnel necessary or proper for the use of the recreational facilities.
- (d) Maintenance and repair of all structures in the common area, including, but not limited to, alleys, fences, sprinkler systems, garbage enclosures, cluster mailboxes, water submetering monitoring equipment, entrance gates and related equipment, fountains, storm drains, sanitary sewers, street lighting, traffic markers, signs and private streets within the confines of the Subdivision and/or any maintenance and repair required by the City of Edinburg, together with all of the facilities existing in the common area.
- (e) Fire insurance, if obtainable, covering the full insurable replacement value of the improvements in the common area with extended coverage.
- (f) Liability insurance insuring the Association against any and all liability to the public, to any owner, or to the invitees or tenants of any owner arising out of their occupation and/or use of the common area. The policy limits shall be set by the Association, and shall be reviewed at least annually and increased or decreased in the discretion of the Association.
- (g) Workmen's compensation Insurance to the extent necessary to comply with applicable law, and any other insurance deemed necessary by the Board of Directors of the Association.
- (h) A standard fidelity bond covering all members of the Board of Directors of the Association and all other employees of the Association in an amount to be determined by the Board of Directors.
- (i) Any other materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, taxes, or assessments which the Association is required to secure or pay pursuant to the terms of this declaration or by law, or which shall be necessary or proper in the opinion of the Board of Directors of the Association for the operation of the common areas, for the benefit of Lot owners, or for the enforcement of these restrictions.
- (j) In addition to the maintenance of the common area, the Association shall provide exterior maintenance on each Lot as follows: In the event an Owner of any Lot, his family, guests, invitees, agents or others using the Lot premises, shall fail to maintain the premises and the improvements situated thereon in a neat and orderly manner, the Declarant or the Committee shall have the right, through their agents and employees, to enter upon said Lot and repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon, all at the expense of Owner, and such expense of maintenance or repair shall be added to and become part of the assessment to which said Lot is subject to.
- (k) Maintenance and repair of all structures or improvements, formerly within the common area, if any, and which may be situated in an area dedicated and/or transferred to the public use in the future, as set forth in Article IV, Section 1 (b), for which the association reserves the right to continue the operation and concurrently has the obligation to maintain and repair.

Section 3. "Fixing of and Maximum Annual Assessments and Penalties"

(a) Until DECEMBER 31, 2025, the maximum annual assessment per Lot shall be **\$750.00** per Lot, prorated monthly, subject to Section 6 below. Declarant shall monitor the expenses actually incurred within the first three (3) months after the execution of this Declaration and set a monthly amount necessary to meet the actual expenses, but not to exceed the amount set out hereinbefore. Declarant is hereby exempted from any and all annual and/or special assessments for any Lot owned. No Lot owned by Declarant shall be assessed nor shall Declarant be liable for any assessment described herein. Additionally, this exemption applies to any Lot owned by Declarant or conveyed to any related entity of Declarant or if it is transferred by Declarant by gift, devise or descent or another transaction that does not involve the payment of consideration in any form.

(b) Commencing with January 1, 2026, and continuing thereafter, all assessments shall be fixed by the Association in advance of January 1st of each calendar year, after giving due consideration to the anticipated cost of all common area maintenance obligations, and other costs of operating the Association. The Association shall have the right to collect such assessments in advance on either an annual or quarterly basis. If at any time the Association determines that the assessments for that fiscal year are insufficient to discharge all assessments to be incurred or payable during that assessment year by the Association, the Association may increase the assessments to cover such costs (incurred or to be incurred), and such increase shall become effective at the beginning of the next annual or quarterly assessment period. If required, assessments shall be prorated for the period from the commencement thereof to the end of the then current calendar year of the Association.

(c) From and after January 1, 2026, to December 31, 2028, the maximum annual assessment may be increased each year not more than twenty-five percent (25%) above the maximum assessment for the previous year without a vote of the members.

(d) From and after January 1, 2029, the maximum annual assessment maybe increased above twenty-five percent (25%) from the prior year by the vote or written assent of a majority of each class of members.

(e) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum prescribed herein.

Section 4. "Special Assessments for Capital Improvements" In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement (including, but not limited to gate, streets, alleys, lighting, garbage enclosures, and/or utilities) on the common area, including fixtures and personal property related thereto. Any such assessment must be approved by a majority of each class of members.

Section 5. "Notice and quorum for action authorized under Sections 3 and 4" Written notice of any meeting called for the purpose of taking any action authorized by Sections 3 or 4 shall be sent to all members not less than three (3) nor more than ten (10) days in advance of such meeting. The number of votes present at a meeting that will constitute a quorum shall be as set forth in the Bylaws of the Association, as amended from time to time. Notice requirements for any and all actions to be taken by the members of the Association shall be as set forth herein or in the Bylaws, as the same may be amended from time to time. In the event the proposed action is favored by a majority of the votes cast at such meeting, but less than the requisite majority of each class of members, members who were not present in person or by proxy may give their assent in writing within three (3) days after the date of such meeting.

Section 6. "Uniform rate of assessment" Both annual and special assessments must be fixed at a uniform rate for all Lots, except where additional real estate is added to the initial Lot and in such case, that specific assessment shall be increased proportionately to the additional amount of land annexed.

Section 7. "Commencement and collection of annual assessments" The annual assessments provided for herein shall commence as to all Lots on recording of the Subdivision plat. Declarant has the right to charge this assessment at closing of the Lot purchase for further benefit to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of the due date thereof and shall fix the dates such amounts become due. Assessments may be made payable quarterly. Notice of the annual assessments shall be sent to every owner subject thereto. The Association shall, on demand and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the assessment against a specific Lot has been paid, and may, on or before February 15 of each year, cause to be recorded in the office of the County Clerk of Hidalgo County, a list of delinquent assessments as of that date.

Section 8. "Special Assessments for initial construction of garbage enclosures" Whereas the construction of garbage enclosures is mandated by the City of Edinburg for certain individual lot owners as a condition of permitting the construction of their units, and whereas such enclosures shall serve the benefit of the entire Subdivision, the Declarant shall be vested with the authority to direct the Association to impose a special assessment on all lot owners who are not subject to the requirement to construct garbage enclosures as part of their permitting process. The purpose of this special assessment shall be to reimburse the lot owners who are required to construct said enclosures. This

special assessment shall be exempt from the standard approval process, which would otherwise require a majority vote of each class of members for the approval of a special assessment.

Section 9. "Effect of nonpayment of assessments, remedies of the Association" Any assessment not paid within thirty (30) days after the due date shall be deemed in default and shall bear interest at the maximum rate permitted by law from the due date until paid. The Association may bring an action at law against the owner personally obligated to pay the same, or may foreclose the lien against the property by non-judicial foreclosure after appointing a member of the Board of Directors as trustee to conduct the sale. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his Lot. A delinquent Lot owner shall forfeit its right to vote until such time as the assessments are paid in full along with any costs for collection.

Section 10. "Subordination of assessment lien to mortgages" The assessment lien provided for herein shall be subordinate to the lien of any first mortgage. A sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payment which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. In the event that the original Lot owner repurchases the Lot after foreclosure, any unpaid assessment extinguished by the foreclosure shall be reassessed against such Lot. In the event that a Lot is subject to a condominium declaration, each separate unit within such Lot may have a mortgage lien. Such mortgage lien shall also be superior to the assessment lien provided herein. In the event that the mortgagor purchases the subject property at a foreclosure sale, the assessment lien shall be reinstated.

Section 11. "Maintenance" The Association shall be responsible for the maintenance of all cluster mailboxes, garbage enclosures, water submetering monitoring equipment (aka "gateways"), private streets, private street lighting (including any electrical service charges or meters) private traffic control devices including gates and their related equipment, and common areas (including perimeter fencing or walls) of the Subdivision. Such maintenance obligation shall be to city standards or alternative standards as specified and approved on the construction plans at the time of Subdivision. In addition, the Association shall be responsible for the installation and maintenance of all exterior landscaping between the property line of fence or wall line of the private Subdivision and the curb line of the adjacent public road or public street. The Association shall exercise reasonable care to keep buildings, fences, sprinklers, fountains, signs, landscaping, lighting, and other related improvements and fixtures, whether enumerated or not, in the common area, in a condition comparable to their original condition, normal wear and tear excepted. The Association shall exercise generally accepted garden management practices necessary to promote a healthy, weed-free environment for optimum plant growth. In the event that a Lot owner fails to properly maintain its Limited Common Elements, the Declarant and/or Association may perform the maintenance and the price of such maintenance and a \$100 fine shall be assessed against the Lot owner or condominium association, in the event that the Lot has condominium units.

Section 12. "Association to Maintain Streets" The Declarant and/or Association will retain ownership and control over the paved streets of the Subdivision.

Section 13. "Designation of Agent" The Association shall designate an agent for the Association for the purpose of receiving communication from the City of Edinburg and shall notify the City Secretary of such designation and any substitution or replacement of such agent.

Section 14. "Penalty Assessment" In the event that an Owner fails to comply with the requirements of these Covenants, Conditions and Restrictions, after notice (provided by letter, email, or otherwise), the Association shall assess a penalty of \$25.00 per day until the non-compliance is remedied.

Section 15. "Auto Draft of Dues and Assessments" The Association shall set up an ACH payment system to facilitate the quarterly payment of annual dues and assessments and penalties. In the event that the Owner's account is insufficient to cover the ACH payment, there shall be a \$50.00 penalty.

ARTICLE IV. PROPERTY RIGHTS

Section 1. "Owner's Easements of Enjoyment" Every owner of a Lot shall have a right and easement of enjoyment in and to the common area which shall be appurtenant to and shall pass with the title to such Lot, subject to the following rights of the Association.

(a) The right to suspend the voting rights of any owner for periods during which assessments and/or fines against his Lot remain unpaid, and the right, after hearing by the Board of Directors, to suspend such rights for a period not exceeding three hundred sixty-five (365) days for any infraction of the published rules and regulations of the Association.

(b) The right to dedicate or transfer all or any part of the common area, including any improvements, to any municipality, public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the members. No such dedication or transfer shall be effective unless an instrument executed by two-thirds (2/3rds) of each class of members agreeing to such dedication or transfer has been duly recorded.

Section 2. "Delegation of Use" Subject to such limitations as may be imposed by the bylaws, each owner may delegate his right of enjoyment in and to the common areas and facilities to the members of his family, his guests, tenants, and invitees.

Section 3. "Easements of Encroachment" Unless provided for herein, all buildings, structures, fences, hedges, outbuildings and appurtenances are subject to the setback restrictions noted in the Subdivision Plat. THE CITY OF EDINBURG BY AND THROUGH ITS AUTHORIZED PERSONNEL SHALL HAVE THE POWER TO ENFORCE THESE RESTRICTIONS BY PROHIBITING THE ENCROACHMENT THROUGH ANY LEGAL REMEDY AVAILABLE TO THE CITY OF EDINBURG OR BY THE DENIAL OF ANY BUILDING PERMIT THAT WOULD OTHERWISE CREATE A VIOLATION OF THIS SECTION.

Section 4. "Other Easements".

(a) Easements for installation and maintenance of utilities and drainage facilities are shown on the recorded Subdivision map. Within these easements, the Association and/or Owners shall not place any structure, planting, or other material which may damage or interfere with the installation and maintenance of utilities, or which may damage, interfere with, or change the direction of flow of drainage facilities in the easements. The easement area of each Lot and all improvements therein shall be continuously maintained by the owner of such Lot, except for improvements for maintenance of which a public authority or utility company is responsible.

(b) No dwelling unit shall be built, erected, or maintained on any such easement, reservation, or right of way. The Association and Owners shall allow access to such easements, reservations, and rights of way to all public and quasi-public utility corporations, their employees and contractors, as well as to Declarant, its successors and assigns, all of whom shall have the right and privilege of doing whatever may be necessary in, on, under, and above such locations to carry out any of the purposes for which such easements, reservations, and rights of way are reserved.

(c) There shall exist appurtenant easements of access to all private streets, alleys and, as necessary, Lots, within the Subdivision to the City of Edinburg for the use of city personnel and equipment on city business.

(d) There shall exist reciprocal appurtenant easements as between adjacent Lots and between each Lot and portion or portions of the Common Areas adjacent thereto for any encroachment due to the unwillful placement, settling or shifting of the improvements constructed, reconstructed, or altered thereon, provided such construction, reconstruction, or alteration is in accordance with the terms of this declaration. Such easement shall exist to a distance of not more than one (1) foot as measured from any point on the common boundary between adjacent Lots, and between each Lot and any adjacent portion of the Common Areas, along a line perpendicular to such boundary at such point. No easement for encroachment shall exist as to any encroachment occurring due the willful conduct of an Owner.

Section 5. "Right of Entry" The Association, through its duly authorized employees, contractors, and delegated agents, shall have the right after reasonable notice to the Owner thereof, to enter any Lot at any reasonable hour on any day to perform such maintenance as may be authorized herein, save and except in case of an emergency, which threatens either life or property, in which case advance notice shall not be required.

Section 6. "No Partition" There shall be no judicial partition of the Common Area, nor shall Declarant, or any Owner or any other person acquiring any interest in the Subdivision or any part thereof, seek judicial partition thereof. However, nothing contained herein shall be construed to prevent judicial partition of any Lot owned in co-tenancy or through a condominium declaration.

Section 7. "Future Subdivision Development" Declarant, its successors or assigns, reserve the right to use all easements, streets and infrastructure in this Subdivision in connection with future residential or commercial development adjacent to or near the Subdivision. Owners shall not have a claim for damages, injunctive relief, or any claim whatsoever, kind or nature based upon such use.

Section 8. "Title to Common Areas" The recordation of this declaration shall serve as a dedication and conveyance to the Association, without consideration, of the fee simple title to the Common Areas free and clear of monetary liens and encumbrances other than those created in or subordinate to the declaration. Notwithstanding the foregoing or any other provision contained in this declaration, Declarant shall have the right to use, for no additional charge, any and all Common Areas for purposes of marketing signage and sales trailers, and/or in connection with the development of the Lots, from the date hereof through the date that Declarant closes on the sale of the last Lot in the Subdivision to a third-party buyer.

ARTICLE V. USE RESTRICTIONS

Section 1. "Residential Use" All Lots, and each and every one thereof, are for multi-family residential purposes only. No building or structure intended shall be adapted to business purposes save and except the business of the Declarant and the transferees of the Declarant in developing all of the Lots as provided in Section 19 below and those businesses allowed for by the Association. No improvement or structure whatever, other than those allowed for in the Construction Plans and Architectural Control Handbook provided by the Declarant or as approved by the Committee in its absolute discretion and carports, may be erected, altered, placed, maintained or permitted to remain on any Lot in the Subdivision, without the express written consent of the Committee. A multi-family residential building or structure may be further divided into separate units through a duly executed condominium declaration.

Section 2. "Construction Specifications" Construction specifications for all structures constructed on a Lot shall comply with the Declarant Construction Plans and Architectural Controls Handbook provided by the Declarant as they pertain to the exteriors only. All construction plans drafted by any Member other than the Declarant shall be approved unanimously by the Architectural Control Committee before the commencement of construction. Not limiting the foregoing, construction specifications are as follows:

- (a) Two story designs are required on Lots 1, 2, 3, 4, 5, 14, 15, 18, 19, 29, 30, 31, 32 and 33 only. Single story designs are required on all remaining Lots. Any deviation from the above must be requested and approved by the Committee in its sole discretion.
- (b) All exterior dimensions, construction details, fascia and soffit profiles and dimensions, material selections and the like must comply with the Architectural Controls Handbook. Should any changes to such be necessary in order to meet required setbacks on any individual Lot, such changes must be approved the Architectural Control Committee.
- (c) Roof slopes must comply with the Declarant Construction Plans.
- (d) No evaporative cooler or air conditioner shall be placed, installed, or maintained on the roof or wall of any building or structure. All coolers and air conditioning units shall be concealed.
- (e) No clothing or other materials shall be aired or dried within the boundaries of the Subdivision except in an enclosed area that blocks visibility from any public or private street or alley.
- (f) No burglar bars shall be permitted on doors or windows unless approved by the Committee.
- (g) No privy, cesspool or septic tank shall be placed or maintained in the Subdivision.

- (h) Each Owner must provide outdoor lights per the specifications of the Architectural Controls Handbook and at the exact locations per the Declarant Construction Plans. Three lights at each duplex must be wired to a common meter and must be light sensitive such that they provide safety and security to all inhabitants of the Lot. In the event that the specified light becomes unavailable, a light similar or better shall be allowed with prior approval by the Committee before purchase and installation.
- (i) Each owner must provide an automatic outdoor water sprinkler system for the Lot and a separate submeter for such sprinkler system. Submetering specifications are provided in the Architectural Controls Handbook.
- (j) Front yards shall be landscaped in a professional manner with shrubs, hedges, and/or ground covers and trees per City of Edinburg Code. One street tree (those planted in the front yard right of way) is required per Lot and shall be at least one (1) live oak tree of a minimum of two (2) inches in diameter caliper and a minimum of seven (7') foot height. Street trees shall be planted on the right side of the Lot when facing the Lot from the street, except for Lot 33, where the street tree shall be planted on the left side of the Lot when facing the Lot from the street. Should the City of Edinburg require an additional tree per Lot, it shall likewise be a live oak tree of a minimum of two (2) inches in diameter caliper and a minimum of seven (7') foot height and shall likewise be planted in the aforementioned right of way, opposite the aforementioned required street tree, equidistant from the centerline of the Lot driveway such that the tree plantings are symmetrical. Each tree shall be planted a minimum of fifteen (15') feet from the centerline of the Lot driveway so that upon maturity, the tree canopies do not interfere with one another.
- (k) Additional specifications may be adopted by the Committee at any time. The list is not meant to be exhaustive or definitive.
- (l) Completion of Construction. Construction shall be completed no later than one year after commencement. In the event an Owner fails to complete construction of improvements within required time limit, the Architectural Control Committee shall have the right to impose a reasonable daily fine.

Section 3. "Similarity of Buildings" All buildings whether one (1) or two (2) story shall comply with the Declarant Construction Plans and Architectural Controls Handbook in so far as they relate to building exteriors only.
