Quarterly Update

July 2023, Issue 3

What a wonderful way to end our 2nd quarter of 2023, by spending some quality time together at our annual Camp AREV retreat. We brought our work and toil to rest for a few days to come together and enjoy camp and company. Now that we have rested, we are geared up and ready to work on our biggest fundraiser of the year, the 3rd Annual Guardian Car Show September 9th.

Collection of donations for our September 9/11 event is in full swing! We have some very dedicated volunteers who are working overtime collecting sponsor's and donations. If you would like to collect donations or have questions about how to get out there and hit the pavement, just ask! We will set you up with some paperwork and support you. Also, we will need a lot of volunteers for this event, so if you are interested, just let us know. We would appreciate all your help. This is our biggest fundraiser of the year!

Our Guardian Wives group is taking off! New wives continue to grow our Monday night group and we can see the impact these special women are making. This quarter you will see some special service projects that these ladies will be doing that helps our community and our members. If you are interested in joining or know someone who would benefit from the group, please get them in contact with us.

Lucky Luke's Brewery surprised us by naming Guardian's as their organization to honor for the month of June. They have generously donated some of their proceeds on Tuesday nights to the Guardians. We are so grateful that they would nominate our cause and help our members in such a meaningful way.

We can't describe how grateful we are to everyone. We appreciate everyone's efforts and dedication to our Guardians organization.

Some upcoming events to keep on your calendars will be the Bowling Fundraiser at Valencia Lanes on July 15th, the family picnic on August 5th at the Castaic Sports Complex and our Car Show on September 9th.
