COCHON

OLD VINE

2022

**2022 Cochon Cherry Bomb, Old Vine Grenache, Sceales Vineyard,  
Alexander Valley (125 Cases Produced)**  
(100% Grenache, 100% Carbonic)

**Vineyards:** It had become somewhat of a tradition over the last years, my annual phone call to Ralph Sceales to ask him if he had any of his Old Vine Grenache available. Always friendly, but answer always the same, not this year. Fast forward to April 2020, same phone call, same question, different Answer??? Why don't you come out for a visit? We strolled the 3-acre block of thick, twisted, gnarly old head trained vines that Ralph and his family have been farming for over 40 years. We believe the vines were planted around 1914. I got a sense that these vines were more Family than just old vines. The Vineyard is planted on a gentle slope in classic Alexander Valley heavily cobbled, aluvial soils. The vines are naturally low yielding, but produce big bunches of bountiful fruit. This early release of Sceales Vineyard Old Vine Grenache is made to highlight and showcase the stunning, vibrant fruit from this amazing, historic vineyard.

**Winemaking:** The Grenache was fully ripe and full of flavor the first week of September and we brought the grapes to the winery in the early morning. The grapes were placed directly in to a tank whole cluster, covered with a blanket of co2 and sealed. This lot would undergo an inter-cellular fermentation using only the grapes native yeasts called carbonic maceration, (made popular in the Beaujolais region of France). This method highlights the grapes natural high tones and bright fruitiness. The wine was gently basket-pressed and transferred to a mix of seasoned 300L French oak Hogsheads, and 500L Puncheons, for malo-lactic fermentation and aging for 6 months on the lees, then racked and blended before being bottled unfiltered.

**The Wine:** Brilliant electric ruby-purple color with lifted aromas of ripe, juicy cherries, wild strawberry, pomegranate and tart, crunchy cranberry. The flavors follow the aromatics with lively acids, and a beam of bright red berry fruit, silky texture medium bodied with a balanced tension that is both seductive and mouth watering. The finish is pure and full of fruit that lingers dancing on the tongue leaving you wanting another sip. Recommended served lightly chilled.
