Our 6-step process for working with us and holding a Thriftinista "Fun Raiser"

1

Choose Your Date: Select a suitable date and begin seeking opportunities to secure a donated bus for the event.

2

Connect with Susan: Engage in a discussion with Susan to determine the tour locations. The tour will cover three unique stores, with insights tailored to your group's demographics.

3

Set Ticket Prices: Decide on your ticket pricing and kickstart your marketing efforts.

4

Visit Thriftinista.shop: Direct your attendees to Susan's website, Thriftinista.shop, where they can initiate the closet audit and explore the shopping design map

5

Enhance the Experience: Consider arranging sponsors for breakfast, lunch, and potentially a delightful cocktail hour at the tour's conclusion

Experience the thrill as our newfound Thriftinistas proudly showcase their remarkable finds at the tour's end, competing for prizes awarded to the most impressive discoveries—unveiling the past unicorn, that extraordinary item acquired at a fraction of its original cost. Prepare for an adventure that blends style, sustainability, and savvy shopping!
