I do believe that together working together, we can accomplish more. Therefore, let us continue to pray for a quick end to the pandemic and a safe return of everyone to our church to worship the Lord as a whole community once again. As always, we should continue to pray for each other as brothers and sisters in Christ.

*"Loving God, Holy Father, we arise today to face the challenges on the road ahead. It is clear that our current situation needs us to be steadfast and persistent in our response to COVID-19; as this is a marathon, not a sprint. Be with us now O Lord! We grieve precious lives lost and vulnerable lives threatened. We ache for ourselves and our neighbors, standing before an uncertain future. We pray: May love, not fear, go viral. Inspire our leaders to discern and choose wisely, aligned with the common good. Help us to practice social distancing and reveal to us new and creative ways to come together in spirit and in solidarity. Call us to profound trust in your faithful presence, You, the God who does not abandon, His people. Amen!"*

"Have no anxiety at all; but in everything, by prayer and petition, with thanksgiving, make your requests known to God." (Philippians 4:6)

Blessings always,
