

6 'SMASHING' YEAR 6 GROUP TUTORING

Autumn Term 2026

1 | BENEFITS OF GROUP TUTORING

Group tutoring has many benefits for young learners, not least in the opportunities for collaboration, shared experience and camaraderie. We limit groups to a maximum of 4 young people, to ensure that each child has the opportunity to express themselves and maximise the benefit of tutorial support. Experienced and confident, or needing a boost, group sessions can make an amazing difference.

3 | CONVENIENT LOCATION FARNCOMBE YOUTH FC

All group sessions will be held at FYFC in Green Lane, Farncombe. Not only is it convenient (with free parking), but it is a comfortable space, perfect for small groups to work together. A flat screen TV allows for teacher demonstrations and an on-site kitchen means squash and biscuits can be expected. (GU7 3TB)

2 | EXPERIENCED TEACHER

David is a highly experienced Year 6 teacher, who specialises in ensuring young people are ready for the challenges of Year 6 and beyond. He enjoys working with young people to help them grow their confidence and do their very best, in an informal and supportive atmosphere. With up-to-date training in safeguarding, first aid and the latest educational research, your young person couldn't be in better hands.

"My son genuinely enjoys his sessions with David and always comes away feeling much more confident. We've had such a positive experience with David, and can't recommend him highly enough."
