"For the Love of Dance: Learning About Kindness!"

Congratulations! You have officially survived the first (and possibly the longest) month of 2020! Now it is time to start focusing on our Spring Recital! Preparing for recital comes with a lot of hard work and dedication. This month we are highlighting how to encourage others, especially when they are struggling with new steps. Patience is key! Your dancer will learn about timing and how to work together with our buddies to dance in sync with one another. After all, we're better together!

COSTUME & RECITAL MEETING WEEK: April 6th-9th

Costumes have been ordered and recital will be here before we know it! Prior to your dancer's performance, we will be meeting *during class time the week of April 6th - 9th* to discuss all things recital.

PARENT ATTENDANCE AND PARTICIPATION IS MANDATORY!

Dancers will be trying on their costumes and we will be reviewing the Recital Packet and answering any questions you may have about our Spring Recital. Stay tuned for more information.
