

NSA 2017 Adult Racing Program Highlights

- 33 Registered boats
- 28 boats raced in at least one race
- **14 of the 28 had at least one 1st, 2nd or 3rd place meaning every race was very contested and positions changed frequently during the race. *Everyone is getting better! (This is the most important fact)***
- Average number of boats per race 14 (down from 17.5 last year-due mostly to weather)
