

THE SHOEDIO

COMMISSION REQUEST FORM

The base price for our personalized painted sneakers is \$300, with the client supplying the new sneakers for painting. A mock-up can be created upon request for a fee of \$50. If the custom pair is purchased within 30 days, the mock-up fee will be deducted from the total cost.

Additional Info (desired time frame, birthday gift, event, etc): _____

Our brand is centered around creating high quality personalized sneakers, and we take great pride in our craftsmanship. Each pair is tailored to individual specifications, which is why we require full payment upfront. Our standard production time is 8-12 weeks, but rush orders are available. Please note that all design mockups are our exclusive property, and once a sale is made, it is considered final.
