The Company of Yes

Let TCOY do the Packing

We provide all supplies necessary for a quick move - boxes, packing tape, and packing materials. Let TCOY pack your items for you - we are experienced, efficient, and your items will be protected and safe. We pack and pad individual items, then palletize them together so nothing is lost or forgotten.

Opt for Curbside Delivery

Curbside Delivery allows us to safely deliver your belongings to your front door. We offer expedited service so you will receive your goods soon after we pick them up. Curbside delivery ensures less people will come in contact with your personal belongings - reducing the risk of transmission of Covid-19.

Our Process

Give us a Call

Contact our dedicated logistics professionals 24/7 to request a quote. Our professionals will give you an accurate quote based on the distance your shipment is traveling and the weight of goods being shipped.

Curbside and In-home Pick-up

TCOY professionals will come to your house or dorm on moving day. We will pack and inventory your items to ensure they are transported safely, and efficiently.

Curbside and In-home Delivery

Once your items are packed and inventoried, TCOY will deliver your items on the pre-determined delivery date and time. There are options for curbside and in-home delivery.

Store Your Belongings

TCOY can help if you need to store your belongings during your time away from campus. This eliminates the hassle of having to move bulky furniture long distances - saving you time, money, and space. Our storage facilities are monitored by 24/7 security and are climate controlled - keeping your items safe.

Save money and time with **TCOY**.

Get your student home without the hassle.
