

RETREATS AND PROFESSIONAL DEVELOPMENT FOR TEACHERS, CATHECIST, AND STAFF

Elevate Your Catholic Faculty Retreat and Professional Development

Are you seeking a meaningful and transformative experience for your Parish Staff or Catholic faculty and staff team?

Allow me to help you cultivate a vibrant and dedicated staff and Catholic educational community. Enhance your teams spiritual journey and professional skills through retreats tailored specifically for Catholic faculty and staff. I offer full day or half day transformative experiences that blend faith, community, and professional growth tailored for your pastoral setting.

Spiritual Enrichment:

Participate in prayer sessions, engaging activities, reflective practices, and discussions to enhance the personal faith of your parish or school team.

Team Building:

Strengthen teamwork, build better relationships and collaboration among faculty and staff to ensure a common unified approach to passing on the faith throughout parish ministries and/or the parish school.

Personal Well-being

Focus on self-care and wellness strategies to maintain balance and resilience in your professional and personal life.

Classroom Evangelization

Learn effective strategies for integrating faith into your teaching, creating a nurturing environment for spiritual growth among students.

"Faith-filled, dependable, and sacrificial are just a few of the words that I'd use to describe Maryellen. She makes herself available to our teachers and parents and is deeply committed to accompanying people on their faith journey. She supports our teachers beyond the classroom; encouraging them in their own faith formation." E. Gaffney, former Principal St. Barnabas
