"Maryellen is a woman of authentic faith who consistently brings passion for sharing the Good News of Christ to her work. Concretely, that was lived in her joyful invitation of the entire family into faith formation programming during our time together on staff. She brings creative ideas and offerings to engage members of a diverse community, meeting folks where they are on the journey of faith. She works easily with folks across the age spectrum. She also offers personal invitation to community members to become involved in ministry, helping to bring to life a true missionary parish. I would whole heartedly recommend her services to anyone looking to enliven a faith community." *Fr. Chris Lawton, St. Paul the Apostle Parish, New York City*
