Supporting Statement and Narrative

Success Academy Trust is committed to equal pay and know that our gender pay gap is not a pay issue as the Trust maintains its salary scales in line with Leicestershire County Council and National Teachers pay and conditions.

The Trust recognises that women outnumber men by 286:39 and it is also clear that men are underrepresented in the lowest quartiles of the workforce.

Success Academy Trust operates as an equal opportunities employer and does not discriminate in any way (as defined by the Equalities Act 2010 and other relevant legislation) regarding recruitment, performance management and employee career development opportunities.

Over half of the roles within the Trust are part-time either aligning closely with the hours of attendance of pupils or outside of this time for access purposes.

To help understand the various in the pay gap, a separate exercise was run to look at the gender pay gap between male and female teachers (ie excluding support staff)

From this it was noted that of the 325 qualifying employees for the full report, 106 were teachers. Of this there were 20 male staff (2 part time) and 86 female staff (24 part time).

We continue to be a flexible employer and a number of our employees choose to work less than full time (32.5 hours for teachers, or 37 hours for support staff).

Of the 325 qualifying employees, 11 out of the 39 males (or 28.2%) were working part time and 212 out of the 286 females (or 74.1%) were working part time.

The Trust has a pay structure and other processes which ensure that discrimination based on gender is not currently an issue within the Trust. The Trust Board however recognises that the organisation as a whole has a higher gender pay gap than the national figure and they are committed to reducing this gap through:

- Continued support to requests for flexible working hours for all staff where it can be accommodated
- Professional Development opportunities and support with all staff to encourage promotion either within or outside of the Trust
