### Introduction

The Success Academy Trust Board of Trustees is accountable in law for all decisions about its Academies. However, this formal Scheme of Delegation (SoD) details which functions the Trust Board has delegated and to whom to ensure roles are clearly understood throughout the Trust.

### **Obligations**

The Trustees are the Charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Memorandum and Articles of Association. The Board of Trustees is the accountable body for the performance of all Academies within the Trust and as such will:

- 1. Ensure clarity of vision, ethos and strategic direction;
- 2. Hold the Executive to account for the educational performance of the schools and their pupils, and the performance management of staff;
- 3. Oversee the financial performance of the Trust and make sure its money is well spent.

#### **Definitions**

Trustees are bound by both Charity and Company Law and the terms 'Trustees' and 'Directors' are often used interchangeably. We use the term "*Trustee*" as it avoids the possible confusion caused when Executive Leaders are called Directors but are not Company Directors and Trustees.

### **Delegation to Trust Principal**

The Trust Board is permitted to exercise all the powers of the Academy Trust. The Trust Board will delegate to the Trust Principal responsibility for the day to day operations of the Trust. The Trustees can determine whether to delegate any governance functions.

The Trust Board has the right to review and adapt its governance structure at any time which includes removing delegation.

The Trust Board will delegate the responsibility for delivery of the MAT Vision and Strategy to the Trust Principal who in turn will work with the Local Governing Bodies (LGBs) to ensure this is delivered. Further detail is available in the Trust Principal's Job Description.

### **Delegation to LGB**

The Trust Board will determine on a case by case basis how to categorise its Academies as either 'Supporting' or 'Supported' and whether to delegate some responsibilities concerning the performance of each Academy to a LGB through its 'earned autonomy' model.

In this SoD, where delegated responsibility for the performance of the Academy and its financial probity has been given to the LGB, the Principal/ Head of that Academy reports directly to the Trust Board. Further detail is available in the LGB Terms of Reference document.

In this SoD, where the Academy is deemed to be supported (which includes, but is not limited to, formal sponsorship arrangements) the Trust Board delegates responsibility for the performance and financial probity for the Academy to the Trust Principal which includes line management of the Academy Principal/ Head.

#### **Delegation Factors**

Factors which may influence the decision to delegate include:

- School performance/trends;
- Recent Ofsted or Peer report;
- Financial and administrative performance;
- Leadership and Governance capacity and capability;
- Request for support from the ESFA or LA;
- Outcome of Due Diligence prior to agreed transfer into the MAT.

#### Review

Once accepted into the multi-academy trust (MAT), the SoD for individual Academies will be reviewed annually (in line with the expectation within the Academy Trust Handbook 2021, section 2.4) or sooner if the Trustees determine that there has been a significant change in circumstances. For example, if the Trust Board as required to respond to changes in context as the MAT matures and grows. The agreed SoD must be published on the website of the Trust and each of its Academies.

### **Financial Scheme of Delegation**

A separate written Financial Scheme of Delegation of financial powers referred to in the Academies Trust Handbook is an appendix to this overarching SoD.
