MARCH MESSAGE

MY FELLOW ELKS,

As we near the end of the Elk year I want to thank all of you for the support you have given me and my officers corp. I think we have accomplished a lot during the year and I feel that the lodge is continuing to move in a positive direction. For the Elks 2025-2026 year I would like to ask all of you to help us increase our membership and increase our participation in the many wonderful programs we have to offer.

I am excited to announce that all members who pay their dues in full before April 1st can join us for a free steak dinner on Saturday April 26th. See the details elsewhere in the Missile.

Scholarship News: Unfortunately, this year Sunnyvale Lodge only received 7 applications for the Most Valuable Student sponsored by Elks National Foundation. These students advanced to State Judging, which was held in Atascadero during February 10-13. They are Armaan Gomes with a score of 875, Dhruti Halambi with a score of 830, and Brian Bahr Goldshtein with a score of 730. This application is quite time consuming, but for some students it is very worthwhile. We will be setting aside a night of recognition sometime in May or June honoring these students for their achievement, as well as their parents, counselor and/or principal. We will be issuing Certificates of Achievement, as well as a check. It would be great to see Members in attendance offering congratulations to these amazing students. I would like to take this opportunity to thank Cheryl Lander for her participation in judging at the local lodge level.

Lodge Scholarship Chairperson**

West Coast District Most Valuable Student Scholarship Contest

The Elks' West Coast District Most Valuable Student Scholarship Contest competition has recently been completed.

There was a total of 188 students, (51 boys and 127 girls), that applied to their local Elks Lodge.

Of the 188 applicants, 54 competitors, (25 boys and 29 girls) were selected at the local Elks Lodge and submitted for the district competition.

On January 11, 2025, the WCD Scholarship Committee met to select finalists to be sent to the California-Hawaii Elks Association (CHEA) competition. 24 competitors (12 Boys and 12 girls) were selected to be sent to the CHEA competition.

Our lodge, Elks Lodge 522, has 6 applicants among those finalists.

The scholarship information is sent to all high schools in our service area in early fall. The high school counselors or staff, share the scholarship information with Seniors.

Our scholarship committee will be working on promoting the CHEA Vocational Grant Program throughout the year. This Vocational Grant Program is for students to pursue vocational courses. Students planning to transfer to a four-year school to pursue a bachelor's degree are not eligible. More information to follow.

Every Top 20 MVS scholar will receive a \$30,000 scholarship and an invitation to Chicago to participate in the MVS Leadership Weekend. This allows the scholars to form relationships, participate in engaging programming, and get to know the organization that makes their scholarship possible.
