Fee includes: Recording the voiceover and any additional services you ordered.

Fee does not include: Re-recording due to changes in the script, instructions, or intonation(for example, if you request and approve a fast and friendly tone, but then decide you want a slow and formal tone; or if you simply want a different intonation).

A round of such changes is charged at the rate per word with a minimum fee of \$100 USD.

Please Note:

Payment is not dependent on actual use of the audio files.

You may use the voiceover files for the agreed upon purpose only.

The price quote is valid for 30 days only.
