## Positive Mental Attitude

### The Road from Nowhere

**Medical drama.** A child defies the odds against her. She fought for survival, had strength for recovery, and struggled through the long road of rehabilitation. With inner strength, determination, and perseverance she progressed and succeeded, goal after goal for decades. **I am the victim.**

Someone who knows how you feel with disabilities, challenges, pain, anxiety, doubt, confusion, and more. A story of survival, not for the weak. Based on a true story, the author's story.

### Mission

Bring awareness, information, and hope to victims, families, friends and colleagues of those injured, wounded and suffering.

### Endorsements

This book will lead you on the path to overcome handicaps with determination and perseverance. A must read.

Craig Gibson, DC

Too often hope for recovery is lost. I applaud Ines for her strength, determination and perseverance in her darkest hour. Ines never lost hope.

Scott Danks, Pain Mgmt.
