WAYS TO GIVE

Updates From Us

**One team. One community.
A whole lot of support.**

We're thrilled to share some exciting updates on all the great things happening at the City of Peace shelter in Kenya.

Remember to also check out our upcoming event: Trivia for a Cause, in Brunswick, Maine, this month.

Also, don't forget to give a big shoutout to our wonderful volunteers in our community. Whether it's through donating their time, resources, or just a listening ear, we couldn't do what we do without them.

Our resources are expanding with job training programs, computer classes, and financial workshops. We currently have 60 participants in our center undergoing different skills training.

Our City of Peace shelter is full of women and girls walking in and out daily, accessing different services, including food, a place to stay, sanitary pads, and empowerment.

Our computer classes have been amazing. They are helping to bridge the digital divide and create a more inclusive future for all. The women at the shelter are gaining confidence and independence as they learn how to access government and health care services.
