

Power of Family, NY

A Coalition of Family Peer Support Providers in New York

Please Join Us!!

Power of Family, NY is holding a statewide Learning Collaborative in an effort to provide NYS Office of Mental Health with information from all across the state regarding our view of what a statewide Family Peer Support Organization should offer to provider agencies.

The information we are looking for answers the following questions:

If you were asked to create/build a statewide Family Peer Advocacy Organization and had no restrictions:

- ✓ What would their mission be?
- ✓ What would it offer?
- ✓ Where would it be located?
- ✓ Who would operate it?
- ✓ Who would be their constituency?

Date of the gathering:

March 28 from 1:00-3:00
