

# THE MEETING PLACE 2025 STAKEHOLDER'S REPORT

Dear Community Member,

We are delighted to tell you that 2025 was another fantastic year for Carbondale's The Meeting Place (TMP). Continually building on our mission to support people in recovery from drug, alcohol, and behavioral addictions, the scope of our work continues to grow and we continue knocking down barriers to recovery. In addition to hosting 29 different recovery meetings each week, our space is filled with programming and opportunities to explore addiction recovery. In 2025 we offered the following special events and programs in our space:

- April - Golden Light Meditation
- May - Ceremonial Breathwork
- July - Discovery through Dreamwork
- August - Resonate, a sound healing event
- September 9/11 Day of Service – Community service project
- September - Mindfulness Meditation workshop in collaboration with Roaring Fork Zen
- October - Pumpkin Carving event with A Way Out
- November - Free community Narcan Training
- December - White Elephant Gift Exchange and a sober New Year's Eve Party

And, as always, all programs or events in our space are free or by-donation!

# THE MEETING PLACE 2025 STAKEHOLDER'S REPORT

In November, we hosted our second annual Trivia Night fundraiser at the Hoffmann Hotel in Basalt. A great time was had by all, celebrating life and recovery, while raising \$15,000 to support this critical resource. Be sure to save the date for our next Trivia Night, November 4<sup>th</sup>, 2026!

## 2026 Ambitions

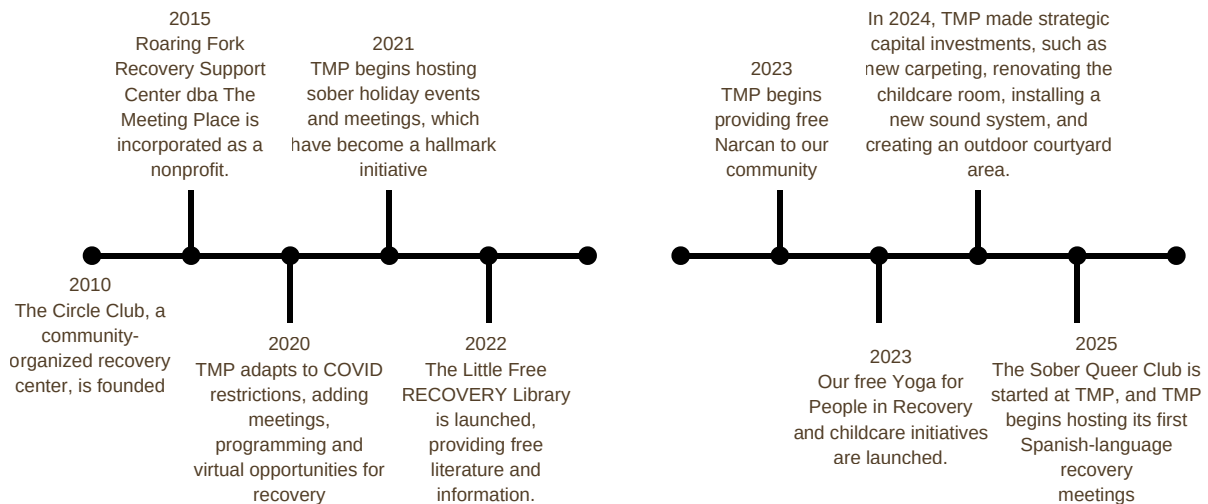

Fiscally, TMP is in a strong position, having completed its seventh consecutive net positive year, and fulfilling a strategic goal of having an operating reserve equivalent to one year's expenses. Our Board is 10 members strong, with community members contributing their professional experience from the fields of addiction, counseling, nonprofit, finance, education, fitness, and the Roaring Fork Valley community.

And there is more on the horizon! Our 2026 ambitions include:

- **Expand & Diversify Programming:** Increase special events and more alternatives to traditional 12-step meetings
- **Combat Stigma:** Raise awareness of The Meeting Place within the broader community, including healthcare professionals and first responders.
- **Focus on Mind, Body, Spirit:** Building upon the success of our Yoga for People in Recovery program, we'll be collaborating on community initiatives that combine addiction recovery with physical fitness
- **Continue Addressing Accessibility:** TMP will launch a Transportation Assistance program to provide free bus tickets for those needing transportation to recovery meetings.
- **Volunteer Opportunities:** More formalized community and volunteer opportunities.
- **Expand our Little Free Recovery Library:** Include more alternative recovery resources and Spanish-language materials; add a second "floating" library within the community.
- **Improve Our Space:** Continue enhancing our physical environment to reflect the welcoming and supportive recovery community

TMP is generously funded by our local and regional governmental entities, foundations, businesses, and generous individuals. Thank you!!!
