

## 2021 STAKEHOLDERS REPORT

**MISSION:** To provide a safe and supportive location for meetings, fellowship, educational activities, and social events for people, families, and friends in recovery.

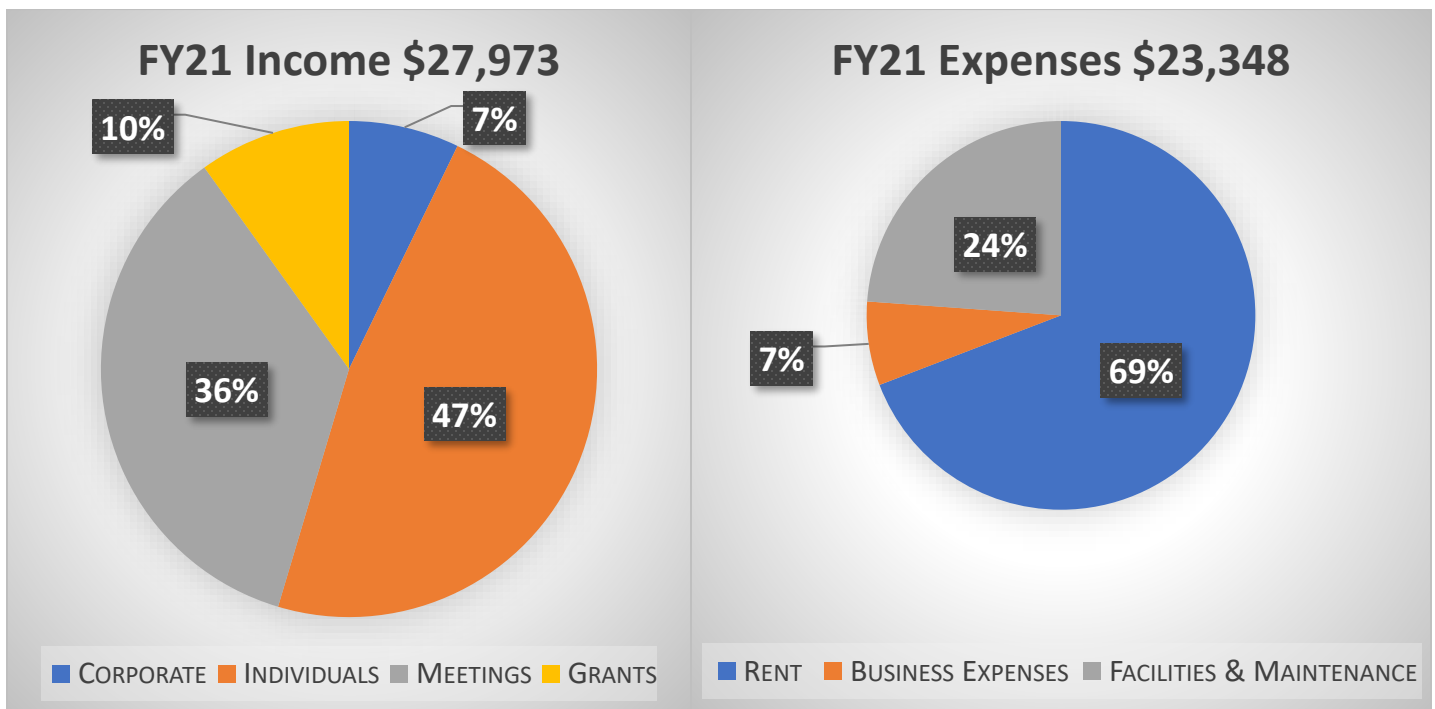

March 2022

Dear Supporters,

We are delighted to report The Meeting Place (TMP) is thriving! Last year saw the development of a new Narcotics Anonymous and Heroin Anonymous meetings, and a 6:45AM Alcoholics Anonymous meeting six days a week within our space. In addition to hosting nearly 20 in-person meetings each week, TMP provides a virtual home for online meetings and our facilities are available for anyone to access online recovery meetings.

TMP recently renewed its lease for three more years and several benchmarks were reached in 2021 to ensure the long-term security of TMP:

- TMP has diversified its income streams by proactively fundraising and seeking increased grant funding. This year to date, TMP has already received 30% of its annual income from grants.
- TMP reached its fifth consecutive net positive fiscal year.
- TMP qualified for a Guidestar 2021 Gold Seal of Transparency.

The success of The Meeting Place is a true reflection of our community caring for its people and recognizing the gravity of addiction and importance of recovery. Thank you for your generosity.
