### Full Cremation Service - £930.00

Full Cremation Services are our main service type, and each service slot is an hour long where we recommend an actual in chapel service time of 45 minutes. Additional time slots are available if a longer service time is required. Each Full Cremation comes with a free Still Image that can be viewed on our chapel screens during the service. In addition, music tracks including hymns can be added via our media supplier. Additional services such as webcasts, visual tributes or slide shows can also be added at an additional cost. These services can be booked on the hour from 10:00 to 16:00 Monday to Friday.

### Direct Cremation Service - £325.00

Direct Cremation is an unattended service where the deceased is brought to the crematorium by the families chosen Funeral Director. A selected piece of music is played while the deceased is brought through the aisle to the catafalque. The curtain is then closed and the piece of music ends bringing the service to a close. This type of service is getting more and more popular for families, and we are pleased to cater for these at the crematorium with the added benefit of families choosing a local and trusted Funeral Director to conduct the service throughout. These services can be booked to suit Funeral Directors at short notice, or in advance by using one of our following slots: 08:30/09:00/09:30 or 17:00, we will be as flexible as possible to work with you in arranging these services.

### Attended Direct Cremation Service - £450.00

This is a service that allows for a maximum of 20 mourners and can be booked at the 08:30/09:00/09:30 slots. The service will last for 15 minutes and two pieces of music and a free still image can be chosen via our media supplier. There is an opportunity for someone to speak during this service, however, please note the time in chapel is limited to 15 minutes.

### Chapel Only Service - £485.00

Chapel Only services are held where families choose to utilise the crematorium chapel for a dedicated service prior to a burial service taking place at a nearby cemetery. The main differences are that the coffin will be positioned in the front of the Chapel for the duration of the service and not on the catafalque. The curtains will remain closed for the duration of the service however music, photos and visual tributes will be available as normal. These services can be booked at our normal times, but only when there is availability during less busy periods.

Effective from 1<sup>st</sup> April 2025
