MAKE THE MOST OF YOUR MEMBERSHIP

Attend a Roundtable

Roundtables are in-person, state-based breakfast sessions designed for strategic deep dives on topics shaped by member insights. Our goal is that you are able to walk out of a roundtable confident and prepared to have a conversation with your CEO armed with tools, peer benchmarking and research to back up your narrative.

Each session features a Thought Leader and is designed as a CHRO developmental workshop.

Sessions are usually hosted in member boardrooms in CBD locations.

Even if you can't attend in person, every roundtable includes a follow-up online session, recorded and available in the On-Demand Sessions section of the Member Portal. After each series, you'll also receive slides and resources via email and in the portal for easy reference.

If you are interested in hosting a roundtable - please contact us to discuss further.

Help Shape the Community

Provide your member insights and share your perspective through our regular feedback surveys.

Contribute to a Toolbox

Our Toolbox sessions are online, focused topics based on the needs and interests expressed by our members.

Each Toolbox runs for one hour, is recorded, and uploaded to our On-Demand Sessions in the Member Portal for future reference.

If you believe there is a particular topic that warrants a Toolbox session - please let us know so we can consider it for inclusion.

Find your Tribe

Tribes are small, interest-based circles for confidential conversations and support.

We're piloting four Tribes in February 2026, followed by the second round in June 2026. In the meantime, reach out if you'd like help connecting with members.

Socialise and Network

We host events during the year for members and guests from the broader CHRO community. They are free for members and a great way to build your network beyond Chief HR.
