Section 2. Leased Premises - Landlord hereby leases to Tenant "the premises" located at 451 W. Main Street, Kutztown Borough, Berks County, Pennsylvania.

Landlord's Shed Excluded from Lease- The landlord maintains an 8x14 shed on the premises to store the lawn equipment, snow removal equipment and general property maintenance equipment, tools and supplies necessary to service the property. The shed is protected by a security system which alerts the Landlord of any unauthorized entry. Each tenant signing this lease understands that **NO ACCESS TO THE SHED OR USE OF THE SHED IS BEING OFFERED OR PROVIDED FOR IN THIS LEASE.** The landlord has exclusive access to the shed and tenants are exclusively prohibited from entering into the shed, removing equipment or property from the shed or placing any personal property into the shed without prior express communication with and permission from the landlord.

Section 3. Tenant's Acceptance of Property - Neither the Landlord nor its Agents have made any representation with respect to the rental except as expressly set forth herein, and no rights are acquired by the Tenant by implication or otherwise except as expressly set forth in this lease. The taking of possession of the leased premises by the Tenant shall be conclusive evidence that the Tenant inspected the premises and the leased premises were in good, safe, clean, and tenantable condition at the time of possession.

Tenant agrees to make immediate notification to the Landlord if he or she discovers any safety hazards, inoperable systems or damaged fixtures or equipment during the move-in process. Each discrepancy shall be made in writing and include a brief description of the problem when forwarded to the Landlord. Any notification required by this section should be made as soon as practical, but should be made no later than the end of the same day on which the discrepancy is discovered. Upon receiving notification of any repairs necessary to remedy safety hazards or property function, Landlord shall make all necessary repairs or make arrangements to have those repairs made by a professional company as soon as practical following the commencement date of this lease agreement. Discrepancies associated with this section of the lease shall be attached to this lease agreement if and when they occur.

Section 4. Term - The term of this lease shall begin at 12:01 AM on August 16, 2025 and end at 12:01 AM on May 16, 2026, unless sooner terminated as provided herein.

Section 5. Definition of "Furnished" - The term "furnished" as it appears in this lease agreement shall mean the following with respect to each tenant's bedroom: One "full" sized bed frame and mattress, one desk, one dresser and one desk chair will be provided by the landlord for the tenant's use throughout the duration of the rental term. Bedroom#3 will not include a dresser because it has a built in closet.

Each tenant signing this furnished lease agreement has requested to have their bedroom furnished with the above said items of furniture unless otherwise agreed to with the Landlord.

Section 6. Rent - The total basic rent for the lease term shall be Thirty Six thousand dollars (\$37,000) where each tenant is individually responsible for their portion of the rent. The annual rent for each tenant signing this furnished lease agreement shall be Seven Thousand, Two Hundred dollars (\$7,400.00). Rent shall be paid in two (2) installments of \$3,700.00. The first payment is due on move in day prior to the start of the fall semester at Kutztown University and second payment shall be due two (2) weeks before the beginning of the Spring Semester, unless coordinated in writing with the Landlord in advance. All rent shall be payable without prior written notice or demand at the office of the Landlord located at 1883 Alamingo Drive – Front Office in Quakertown, PA 18951 or such other place as Landlord may from time to time designate by notice in writing. Please make checks payable to JLT ASSOCIATES LLC. If rent is not paid within 15 days of the due date, the Tenant will pay the Landlord a late fee of 1.5% of the outstanding balance per month.

Section 7. Tenant Utility Charges - The Tenant shall pay or cause to be paid all charges for air conditioning, electricity, trash / recycling removal, water, sewer, telephone, cable or any other communication or utility service used or rendered or supplied to the premises throughout the term of this lease the Landlord has not specifically agreed to pay in section 8 of this lease, and to indemnify the Landlord and save it harmless against any liability or damage on such account. Tenants may obtain all information needed for transferring utilities through Kutztown Borough Utilities office - (610)683-6131

Section 8. Landlord's Utility Expenses -

8.A. – Heating Oil: Throughout the term of this lease, the Landlord shall pay or cause to be paid the charges for the first one thousand five hundred dollars (\$1,500) of fuel oil used for heating. The fuel oil tank at the property is equipped with a smart / digital, wireless monitoring gauge. This gauge allows the landlord to remotely check the level of fuel oil in the tank to plan for and forecast fuel/oil orders and to evaluate fuel oil consumption and daily usage / trends.

8.B. – Internet Service: The Landlord will pay for basic internet service for the property, including router rental. Basic Internet service speed is defined as a speed of 300MB per second. If tenants are interested in higher speed internet service at the property and higher speed service is available during the lease term, the tenant(s) will be responsible for any increases in service costs above the 300MB per second rate agreed to by the landlord.

Section 9. General Utility requirements / Service terms – The tenant agrees that the landlord has the right to temporarily turn off any utility or other service to the leased premises in order to make necessary repairs or to perform maintenance that requires those systems to be turned off / deactivated.

Installation of Window Mounted / Vented Air Conditioning Units: Tenants shall ensure that any air conditioning unit installed or vented through a window is installed correctly to prevent the water it produces from collecting against the house and causing damage to the structure around the window.

Removal of Window Mounted / Vented Air Conditioning Units: Between November 1st through April 1st, Window AC units that do not also have a heat mode must be either covered and insulated or removed during the winter while the heat is on. Heat will be lost through window ac units which causes cold spots in the room and / or house. This results in higher heating oil usage costs to the landlord over the winter to replace the continuous loss of heat.

A charge of \$75.00 will be assessed to a tenant who fails to remove a window AC unit that does not have a heating function / mode for the entire winter period without covering or insulating around it.

Windows not to be left open for extended periods of time during the heating season:

During the heating season, November 1st through April 1st, it is mandatory that the tenant keep all windows closed due to recent sharp rises in the cost of heating oil. If at any time during the period of November 1st through April 1st the tenant is found to have left any windows open for an extended period of time **while the heater is running**, the tenant shall be responsible for the observed costs of any increase in the quantity of heating oil used for that period, regardless of whether or not the total property usage of heating oil has or has not reached the \$1,500 limit that the landlord has agreed to pay for.

An extended period of time shall be defined as more than 30 minutes.

Excessive Utility Usage: In the event that a monthly utility bill is significantly higher than the average amount for use of the utility and the increased utility bill is a result of the tenant's negligence in either failing to notify the landlord of a problem or failing to take reasonable steps to fix the problem, then the tenant shall be responsible for the difference of the increased monthly utility bill over the average amount of the monthly utility bill. As an example, and not in limitation to any other utilities, should the tenant fail to notify the landlord of a running toilet that causes a higher than normal water/sewer bill, the tenant will be responsible for the difference between the actual bill and the average monthly bill.

The landlord may, on a case-by-case basis, choose to waive the provisions of this paragraph, provided that the landlord is provided with any information requested.

Section 10. Security Deposit - The Tenants agree to deposit with the Landlord Two thousand dollars (\$2,000) as security for Tenant's full and faithful performance of all terms of this lease. Each tenant is expected to post an equal share of the security deposit, with an amount of \$400 per tenant if being rented by 5 tenants. The Landlord shall return such sum when this lease expires if the Tenant has fully and faithfully carried out all of its terms. Each Tenant shall be entitled to receive no more than that tenant contributed to the total security deposit.

The landlord may use security deposit funds to pay for any damages caused by the tenant, the tenant's family members and the tenant's guests who visit the property. In no event shall the Landlord be required to apply the deposit on rents or other charges in arrears or on damages for failure to perform the terms and conditions of this lease by the tenant. Application of the security deposit sum to the arrears of rental payments or damages shall be at the option of the Landlord, and the right to possession of the premises by Landlord for nonpayment of rent or for any other reason shall not in any event be affected by this security deposit.

The security deposit is to be returned to the Tenant when this lease is terminated according to the terms of this lease, if not applied toward the payment of rent in arrears or toward the payment of damages suffered by the Landlord by reason of any breach of the terms and conditions of this lease by Tenant. In no event is the security to be returned until Tenant has vacated the premises and delivered possession to the Landlord by removing all of the tenant's personal belongings, furniture and/or other property from the premises. Upon the Tenant vacating the premises and delivering possession to the Landlord, the Landlord will return the balance of the security deposit to the Tenant within sixty (60) days and provide the Tenant with a written list of deductions for damages and unpaid rent. The Tenant agrees to give the landlord a written forwarding address when vacating

the premises at the end of the lease. The return of any remaining security deposit to Tenant and / or accounting of amounts charged against/from the security deposit to cover damages is contingent upon the Tenant providing the Landlord with a valid forwarding address in writing as required in this section.

In the event that the Landlord repossesses the premises because of a default of the Tenant or because of a failure by Tenant to carry out the terms and conditions of this lease, Landlord may apply the security deposit on all damages suffered to the date of repossession and may retain the balance of the security deposit to apply on damages the may accrue or be suffered hereafter by reason of the default or breach of Tenant. If there is a bona fide sale of the property of which the leased premises are a part to a party other than the Tenant, the Landlord may transfer to the purchaser the security to be held under the terms of this lease, and the Landlord shall be released from all liability for the return of such security to the Tenant.

The Tenant agrees that their portion of the security deposit is automatically forfeited if the Tenant fails to abide by the No Pets provision contained within this lease agreement.

PROCEDURE TO BE FOLLOWED BY THE LANDLORD REGARDING SECURITY DEPOSIT DEDUCTIONS:

- When damage to the premises is caused by a single tenant, or some; but not all of the tenants:
 - o The tenant(s) who have not caused the damage are encouraged to notify the landlord of the damage that has occurred, how it occurred and which specific tenant(s) are/were responsible for causing it.
 - The above said notification should be made in writing to the landlord.
 - It should contain approximate dates, times and detailed circumstances known to each tenant in order to provide the landlord with a clear understanding of which tenants are responsible and just as importantly, why the remaining tenants are not responsible.
 - o The landlord is required by this lease agreement to return any security deposits less charges for damages / maintenance & repairs within 60 days after the premises is vacated after the term of the lease.
 - o Failure to notify the landlord of the information above within the 60 day period after the premises is vacated will result in the landlord deducting 1/5 of the amount of the costs to repair any damage to the premises to each individual tenant's security deposit

- For example; if \$250.00 of damage is caused to the unit by one tenant only:
 - o If tenant#1 causes the damage, but the remaining tenants (#2 - #5) **DO NOT** notify or are not willing to notify the landlord that the damage was caused exclusively by tenant#1, a \$50.00 charge will be assessed to each tenant's security deposit prior to returning the remaining balance to each tenant and the remainder of the security deposit would be returned to each tenant.
 - o If tenant#1 causes the damage and the remaining tenants (#2-#5) **DO** notify the landlord that the damage was caused by tenant#1, a \$250.00 charge would be assessed to tenant#1's security deposit and tenants 2-5 would not have their security deposit affected by the damage caused by tenant#1.
 - o If after the 60 day period passes in the example above, and after the landlord has already finished processing the return of each tenant's security deposit and mailed the return checks and statements explaining any deductions, the landlord receives notification that only a single tenant was responsible for causing specific damages that the other tenants were assessed for, no adjustments will be made. The tenants claiming not to be responsible for specific damages who are at this point attempting to cast blame on a single tenant after the 60 day period has passed must seek reimbursement personally from the tenant who they claim to be responsible for the events that led to a deduction of their security deposit.

Section 11. Use of Premises - The premises shall be used and occupied by Tenant exclusively as a private residence, and neither the premises nor any part thereof shall be used at any time during the term of this lease by Tenant for the purpose of carrying on any business, profession, or trade of any kind, or for any purpose other than as a private residence. Tenant shall comply with all the sanitary laws; ordinances, rules, and orders of appropriate governmental authorities affecting the cleanliness, occupancy, and preservation of the demised premises during the term of this lease.

Tenants are expressly forbidden to hold parties or gatherings in excess of a small, limited amount of people, or to in any way cause any breach of the peace, or to in any way disturb the surrounding neighbor(s)' quiet enjoyment of their property.

If at any time, the number of guests or people present or gathering at the property becomes so large that anybody goes to the bathroom or vomits outside of the house because they are unwilling or unable to wait to use the bathroom inside the house, then that shall be conclusive evidence that the gathering has become too large and that this section of the lease has been violated. Such behavior shall also be considered a disturbance of the surrounding neighbor(s)' quiet enjoyment of their property.

Tenants are expressly required to maintain the premises in a clean and sanitary fashion to forbid and remove any unsightly conditions on the premises, or to otherwise allow anything to detract from the premises current clean, orderly condition.

11.A. – Parking Lot: A paved, off-street parking lot is located behind the home along Saucony Alley and is exclusively available for use by the Tenants and Landlord. The parking lot contains 8 parking spaces and a sign stating that the parking lot is for 451 W. Main Street only and that all others will be ticketed and or towed at the owner's expense. Each Tenant signing this lease is allocated a single parking space and will be issued an identifying placard/sticker for their vehicle, which must be displayed and visible at all times while parked in the parking lot. The Landlord retains the rights to use and / or allocate the other three (3) parking spaces without further notice. Occasionally, the landlord may need to use one or sometimes all three of the remaining parking spaces while performing property maintenance or repairs to the property to provide parking for the landlord and any professional repair service personnel and vehicles such as plumbers or electricians as necessary. If additional parking is desired by any tenant or another person seeking use of the parking lot, the Landlord shall be contacted to work out an agreement / lease for any additional, available parking spaces. Any such requests which will be evaluated on a case-by-case basis.

During the move-in and move-out periods, the entire parking lot may be used by tenants and or family members and friends assisting with move-in activities.

Tenant(s) shall not allow any friends, family members, classmates or acquaintances to park their vehicles in the parking lot during any school breaks, for any other extended periods of time, to use the parking lot in lieu of obtaining a parking permit from Kutztown University, or for long term storage or parking.

Section 12. Number of Occupants – The property is only legally approved for five (5) residents. Only the individuals listed on the last page of this lease agreement may occupy the premises, and should any other persons occupy the premises, it shall be considered a material default of this lease:

While the occasional overnight guest is understood, **TENANTS ARE EXPRESSLY FORBIDDEN TO ALLOW ROUTINE OVERNIGHT VISITORS OUTSIDE OF THE UNDERSTOOD OCCASIONAL OVERNIGHT GUEST, WHICH SHALL BE DEFINED AS NO MORE THAN 3 DAYS PER WEEK; WHICH IS LESS THAN 50% OF THE TIME.** The Kutztown Borough may consider any individuals staying overnight for more than the 3-day maximum limit per week (more than 50% of the time) as an additional resident, which the property is not approved for. If the Landlord discovers that an individual guest has stayed overnight more often than the above said limitations, both the individual guest and the tenant will be reported to the Kutztown Borough Code Enforcement Officer and may result in eviction due to the commission of a material default of this lease.

Section 13. Pets & Animals - No animals or household pets shall be allowed on or about the leased premises without the written consent of the Landlord. The entire security deposit will be automatically forfeited if the Tenant fails to abide by this section of the lease.

In particular, Tenant shall not allow trash to accumulate on the floor in any area of the property, keep the fixtures in the premises in good order and repair; and at his/her sole expense, shall make all-required repairs to the plumbing, range, heating apparatus, electric and gas fixtures whenever such damage is the result from Tenant's misuse, waste or neglect or that of his/her employee, family member, agent, or visitor.

The occupant(s) acknowledge(s) that the occupancy of the unit by the Occupant(s) is subject to the provisions of Chapter 135, entitled "Housing Standards" of the code of the borough of Kutztown, and that the issuance by the code enforcement officer of the borough of Kutztown of a notice of violation pursuant to section 135-7 of chapter 135, entitled: "Responsibilities of occupants: **Disruptive Conduct**" **shall constitute a breach of the lease of which this addendum is a part.**

LANDLORD'S DUTIES & OBLIGATIONS UPON RECEIPT OF A DCR:

When a Disruptive Conduct Report (DCR) event occurs, Section 135-6 (E) of the Kutztown Borough code imposes additional duties and mandatory obligations upon all landlords who rent out property within Kutztown Borough.  - Actions that will be taken to remedy the unacceptable conduct at the property.
 - Steps that will be taken to prevent future occurrences of similar disruptive conduct.
 - What steps will be taken in the future if similar disruptive conduct persists at the property.
- The Kutztown Borough Code also requires Landlords and / or property owners to take appropriate **"contractual and enforcement action"** to cause the conduct and activities of the tenants / occupants to comply with the Borough Code. To ensure that the requirements of the Kutztown Borough Code are satisfied as they pertain to the terms of this lease agreement, All tenants shall pay a fine to the Landlord for any Disruptive Conduct Report that the Landlord receives from Kutztown Borough relating to the tenant(s), tenant(s) guests or invitees as outlined below:

1st Report: \$100.00 per tenant.

A portion of the monetary value of the above said tenant fines will reimburse the Landlord for any costs incurred as they pertain to the duties imposed on a Landlord as set forth above, including the time involved in reviewing the information associated with each DCR notice, fulfilling obligations associated with a DCR, use of office supplies and materials used and time spent preparing the above said written notifications required by the Kutztown Borough Code, Travel time and costs associated with travelling to Kutztown Borough to fulfil the above said obligations in person if necessary.

Depending on the circumstances of each DCR, the landlord reserves the right to waive the above said fine for specific, individual tenants on a case-by-case basis depending on the facts and information available to the landlord as well as the status of any criminal charges that have not yet been resolved in court.

As stated above, Disruptive Conduct" shall constitute a breach of the lease of which this addendum is a part. Upon such breach, the Landlord / Owner shall also have the right and option to pursue any and all of the following remedies:

If the tenant(s) fail or refuse to take the necessary actions to remedy or rectify any unacceptable conduct or conditions at the property or otherwise cause any open DCR to be deemed satisfied and closed will result in notification to all parents or surety guarantors. Such circumstances could result in significant fines levied against the property owner or could constitute legal grounds for the Kutztown Borough to suspend, revoke or refuse to renew a housing license for the specific involved property as set forth in Kutztown Borough Code section 135-10. If the actions of the tenant(s) adversely impact the housing license for the property in any way to include becoming suspended or revoked, the Landlord will have no option but to terminate the current lease and pursue the above said legally available remedies as appropriate.

Section 19. Landlords and/or Representatives have the right to inspect, to make repairs, to do maintenance and to show the leased premises to prospective tenants and purchasers at reasonable times.

Section 22. No Assignment or Subletting - Tenant shall not encumber, assign, or otherwise transfer this lease, any right or interest in this lease, or any right or interest in the premises without the prior express written consent of the Landlord. **Neither shall Tenant sublet the premises or any part thereof or allow any other persons to occupy or use the premises or any part thereof without the prior written consent of the Landlord.** A consent by the Landlord to one assignment, subletting, or occupation and use by another person shall not be deemed to be a consent to any subsequent subletting, or occupation and use by another person. Any encumbrance, assignment, transfer, or subletting without the prior written consent of the Landlord, whether it be voluntary or involuntary, by operation of law or otherwise, is void and shall, at the option of the Landlord, terminate this lease. The consent of the Landlord to any assignment of Tenant's interest in this lease or the subletting by Tenant of the premises shall not be unreasonably withheld.

Should the Landlord permit the Tenant to sublet the premises or a part thereof, the Tenant shall not permit the leased premises or any part thereof to be used or occupied for any unlawful business, use, or purpose, for any business, use, or purpose deemed disreputable or extra hazardous, or for any purpose or in any manner which is in violation of any present or future governmental laws or regulations. The Tenant shall, promptly after the discovery or any such unlawful, disreputable, or extra-hazardous use, take all necessary legal and equitable steps, to compel the discontinuance of such use and to oust and remove any subtenants, occupants, or other persons guilty of such unlawful, disreputable, or extra- hazardous use. The Tenant shall indemnify the Landlord against all costs, expenses, liabilities, losses, damages, injunctions, suits, fines, penalties, claims, and demands, including reasonable counsel fees, arising out of any violation of or default in this section.

If any tenant is caught making or providing a duplicate copy of any key to an *exterior lock to any unauthorized person not listed on this lease agreement* **TO THE EXTENT THAT SAID UNAUTHORIZED PERSON'S ACCESS TO THE PROPERTY INTERFERES WITH THE REMAINING TENANT'S ENJOYMENT OF THE PROPERTY**, the landlord will perform the following tasks at the offending tenant's expense:

❖ **Special Refuse:** When moving in or out, if you need to get rid of furniture or large appliances you must call the Borough to pick them up (610) 683-3202. Small fees are associated with this depending on the item. If you leave items there without permission that requires the landlord to make the above said arrangements with the borough for removal, there will be a \$25.00 administrative fee on top of any disposal fees. These fees will be charged by the landlord and you could potentially receive a citation from the Borough.

❖ **Maintenance Repairs:** The tenant will assume responsibility to any maintenance repair **due to the negligence of the tenant**. This includes clogged toilets, clogged sinks, drains, etc.

❖ **Heat:** The tenants have full control over the heat / temperature settings within the home. It is crucial to keep windows closed and locked while the heat is on. If you think the thermostat is not working properly, notify the landlord. If tenant(s) choose to use supplemental electrically powered space heaters to add more heat to specific areas of the home, the landlord will not be liable for any increase in the electric utility bills for the period that those heaters are in use. You must turn on and turn off your own heat. To avoid unusually high heating expenses, keep the windows closed. If the windows are found to have been left open for any extended periods of time while the heater is in use, the tenant(s) shall pay the difference in the observed amount of increased heating oil usage at the property for that period regardless of whether or not the \$1,500 threshold for heating oil usage has been met. This is also known as a Disruptive Conduct Report. If this happens, you will pay the landlord a \$100 fine for the first report and \$200 for the following reports. If this is an ongoing problem, eviction will follow.

If the tenants choose to pay for other entertainment services at the property such as Television & Phone, the landlord may agree to pay the value of any internet service that could be included at a discounted price on the tenants plan. Each lock contains 4 AA internal batteries, which are used to power the mechanism that extends and retracts the bolt as the unit is locked and un-locked using the digital / keypad features. Each lock will display an alert when the batteries are low. If this alert is ignored, eventually the lock will go dead and will not work at all. Frequent use of the keyless / digital features of the locks will eventually drain the battery / batteries. Tenants are responsible for maintaining / replacing batteries as they are depleted through use – Similar to the batteries of any TV remotes that go dead during the lease term due to tenant usage / consumption. If the tenants fail to change out the batteries in the lock and continue to ignore the low battery level alert, the Landlord will change the batteries in the affected lock and a charge of \$17.00 will be assessed. Each tenant's security deposit will be equally assessed 1/5th of this amount (\$3.40 each). The current price of a 4 pack of AA batteries is approximately \$7.00.
