

YOUR SUPPORT ENABLES US TO DO SOME SPECIAL THINGS!

- Fund life-saving childhood cancer research
- Raise over \$175,000 for childhood cancer research
- Fully fund and name our first childhood cancer research grant through the St. Baldrick's Foundation in 2023
- "Generously Support" our first childhood cancer research grant through the St. Baldricks Foundation in 2020
- Travel to Washington, D.C. to advocate for important childhood cancer issues currently before Congress
- Work directly with the social worker and child life specialist at USA Health Children's and Women's Hospital to help our local families. Assisting with rent, mortgage, utility bills and treatment related travel expenses
- Donate gift cards to families during treatment for groceries, gas and restaurants
 - Host year round awareness events and Gold Out sporting events
 - Hold our annual Crafts for a Cure arts and crafts drive benefitting USA Health Children's and Women's Hospital and Mapp Child and Family Life Program
- Hold our annual Thanksgiving Project that provides dinner to a local cancer family. Provides gift cards, cookies boxes, and goody bags to families during Thanksgiving week
 - Partner with LifeSouth to host a childhood cancer awareness month blood drive
