

Letter of Understanding

(This is not a Contract)

FREE PA, in cooperation with subsidiary chapters,

is seeking businesses wishing to operate their business at 100% capacity, with no mandated restrictions on employees or customers.

What You Can Expect from Us:

- We will promote your business
- We will push new customers to your location
- We will pay for a "pre-inspection" of your current PLCB status to ensure you pass every legal inspection code outside of the mandates which are not laws
- We will stand with you to fight in court and encourage other group members to attend any hearings that arise.
- We want to encourage you to take this fight to court where your win will set the precedent for others to follow
- We will cover your legal fees for this court hearing using funds raised by Free PA

What we expect from You:

- Be able and willing to promote your business in any way you approve
- Allow 100% Capacity and do not REQUIRE employees or patrons to wear a mask anywhere in your establishment unless they choose to.
- Make every effort to be at 100% perfection where current laws regarding employee safety, food handling, business operations and LCB Codes are concerned.
- Agree to immediately close and disinfect if any employee tests positive for the COVID virus. Reopen when disinfection has been completed.

FREE PA legal fee coverage is available for use only in COVID-19 Violation court cases. All other health or PLCB code violations are your responsibility.
