March 2024

Neighborhood News

The ELHOA board meeting was held on Tuesday, February 20, 2024. The next meeting will be held at the clubhouse on **March 19th, 2024 at 6:30pm**, in the upstairs room. All residents are welcome.

Food Project:

East Lake participates in the Food Project of East Alabama. Our community has averaged over 700 pounds of food collected and donated every other month to this much deserving organization. If you are a participant, thank you for helping to eradicate food insecurity in our community. If you would like to become a participant, email Lauren Cuthbertson at laurencuth@gmail.com to be added to the list.

The next collection is scheduled for **Saturday, April 13, 2024**.

Ladies Lunch:

East Lake Ladies Lunch is held the last Thursday of every month at 11:00 at Moore's Mill Club unless there is a schedule conflict. Please let Sarah Walls (706) 414-8838 or Patsy Cotney (334) 863-0425 know if you plan on attending and check the ELHOA Facebook page for updates.

Social Committee:

Please join us on **Wednesday, March 27th at 6:30** at the clubhouse to discuss and plan East Lake neighborhood events and uses for the Clubhouse and Pool. We welcome everyones input and the opportunity to get to visit with neighbors.

Clubhouse and Pool

round tables, 5 long tables, and 60 chairs that we have available for use. Reminder, we do not rent the pool and it remains open to residents during your event.

The pool will open **April 13th, 2024**.

ARC

The ARC meets to review approval of Exterior Improvements and enforce Covenants. All changes to the original submitted building and landscape plans must be approved by the Architectural Review Committee BEFORE you begin. Please complete the digital form on our website. If you have any questions, please email us at eastlakehoaauburn@gmail.com.

Finance

The Financial Statements and Board meetings have been sent in a separate email earlier this month. If you did not receive them, please check your spam folder and then email us at eastlakehoaauburn@gmail.com.

Trash Amnesty 2024

Trash Amnesty 2024 will take place March 4–29, giving you a chance to take care of spring cleaning without paying extra fees. During Trash Amnesty 2024, collection fees will be waived for oversized yard debris and other bulky items that exceed five cubic yards (or 6 feet x 6 feet x 4 feet).

Please keep these guidelines in mind when putting out materials for collection:

- We accept yard waste, appliances and bulky items for collection. Please do NOT include household garbage or hazardous waste.
- Place debris at the curb no later than 6 a.m. on your regular collection day.
- Place items at least 3 feet from mailboxes, utility boxes, poles or other fixed objects.
- Contain or bundle items so they don't fall into the street or down storm drains.
- Limbs and other debris should be no longer than 5 feet.
- Place all items in one pile for pickup. Because of the large volume of pickup expected during Trash Amnesty 2024, residents may experience a delay in their normal collection schedule. For questions, contact Environmental Services at (334) 501–3080 or webenvirsvc@auburnalabama.org.

The City of Auburn's spring Household Hazardous Waste Collection Day will be held on **Saturday, March 23**. Please note that this event has a [NEW LOCATION](#) — the brand-new Environmental Services and Public Works Complex at 4277 Wire Road. It will no longer be held at the former facility on Donahue Drive.

This free biannual event gives Auburn residents the opportunity to drop off hazardous materials that are illegal to dispose of during weekly garbage collection. Acceptable items include household chemicals, pesticides, paints, batteries, automobile fluids and more. Computers and electronics will be accepted for recycling, and there will be a shredder on site to safely and securely get rid of old paper documents.

To participate, please register ahead of time online. For more information, to register, and for a list of accepted items, visit www.auburnalabama.org/hhw.
