

Did you know that the LCD Academy offers high quality summer programs for children ages 5-12 years old? Weekly schedules are packed with educational activities, field trips, guest speakers and special events. Your school-age child will join the fun and adventure as we explore time from the dawn of the dinosaur to the final frontier of space. These kid-approved activities will provide unique experiences and learning opportunities through creative and hands-on participation. These age appropriate activities are led by experienced, enthusiastic staff in a licensed program. We are one of the only programs serves breakfast and lunch! Additionally, you only pay for the weeks you register for; so sign-up two week blocks, several weeks or all the weeks. Register early as space fills up fast! Registration form is available now on our website.
