# ★ REGISTRATION / TRYOUT PROCESS ★

1

**Registration form:** Registration is a simple process! Simply fill out the form here:  
<https://forms.gle/5WkdkEKozRN42e5BA>

2

**Select your tryout time slot and fill out your waiver:** You can choose the time slot that fits your athlete's age range and save some time by filling out your waiver early at <https://cheerextremeodenton.com/teams-%26-tryouts>

We've added an all ages time slot for your convenience as well! If you have multiple athletes trying out and would like to bring them to one session, that is totally fine, just shoot us a quick message at [info@cheerextremeodenton.com](mailto:info@cheerextremeodenton.com) to indicate that. If you can't make it on tryout day, we can also schedule a private tryout or video tryout, just send us an email and we can coordinate a tryout time!

3

**Tryout clinics (optional – May 6th – May 15th):** Tryout clinics are a great way for you and your athlete to meet the coaches, get a feel for the gym, and put in some work on skills they would like to perform at tryouts! You can sign up for them by going to the classes tab at [www.cheerextremeodenton.com](http://www.cheerextremeodenton.com) and selecting the clinics you'd like to attend. Space is limited, so be sure to sign up early! Clinics will open for booking on Monday 4/10!

## ★ THE TRYOUT PROCESS ★

### 4) **Tryout Day / Tumbling Evaluations (May 16th, or make-up May 18th):**

Attend your selected time on tryout day and show us what you've got! The initial tryout day will consist mostly of tumbling and jumps (and maybe a little dance)! Brand new to tumbling? No problem! Our staff will help with the basics so you can show what you've got! We've got teams for all experience levels!

### 5) **Group Call Backs (May 19-22 and 25-28):**

Once you've completed your initial tryout, you'll receive a tryout call back group (divided by color, i.e group teal, black, white, gold etc)! These call backs will mostly be focused on stunting, so we can evaluate everyone's stunt ability thoroughly and begin to get a view of what teams we can build to be as competitive and growth oriented as possible! Groups will be decided based on the skills performed at tryouts. If athletes have a higher level of stunting experience than their tumbling level, they may receive an additional invite to a 2nd group to showcase their stunting skills. Call back groups will attend 1-2 evaluation days per week (it won't be every day over those 2 weeks)

#### **Athletes level 2-7:**

We will be doing things a little different this year for athletes level 2 and up! On tryout day, athletes will perform a brief "mini routine" of tumbling and jump skills, showcasing the skills for the level they'd like to perform. We'll be providing videos prior to tryouts, as well as going over these at some of the tryout clinics, so everyone can see what the routine for each level will be. If you have some level appropriate tumbling for a level, but not all of the skills included in the mini routine for that level, you will have an opportunity to show those skills separately after performing the mini routine for the level you have all skills for!

### 6) **Team Placements:**

At the end of the group call back process, we'll announce team placements! You'll receive an email with your team placement and your link to pay your initial registration payment, as well as an invite to set up your IClassPro account if you don't already have one (this is your portal to make any payments, track everything you've paid etc)! First practices start the first week of June, where you'll have a brief parent meeting to go over some info for the year and have an opportunity to ask any questions you have about the season! We'll also go over team contracts at these meetings and collect those! If you have any questions about your team placement, please reach out to [info@cheerextremeodenton.com](mailto:info@cheerextremeodenton.com) asap to set up a time to discuss and we can go over any questions you have!

### 7) **Teal Celebration!!!:**

Congratulations! You've done it! By this point, your tryout is complete, you've registered for your team, and you're part of our big teal family! So what better way to kick things off than with a party!? We'll have an open gym session for the athletes, along with some swag tables, food, music and a great time! Parents, this is also a great time to meet your athletes coaches!

# TRYOUT CLINICS:

These clinics will offer athletes a variety of options to work in improving their skills and making sure they're fully prepared for tryouts! They'll run from **May 6-15th**, and can be signed up for at <https://cheerextremeodenton.com/classes> starting on April 10th! Clinics will range in price from \$15-\$25

## TRYOUT TUMBLING CLINICS:

- Got a skill you're looking to get some extra work in to be prepared for tryouts? Our expert tumbling staff has you covered! Clinics will be split by level and include drills, spotting and everything needed to help you level up your skills!

## TINY / MINI CLINICS:

- Geared specifically toward our younger athletes, these clinics will be a great opportunity to work on stunting and tumbling fundamentals, with some fun age appropriate activities added in!

## STUNT CLINICS:

- Are you a flyer that wants to learn a new stunt skill, increase your flexibility and overall stability in the air, and benefit from the experience of high level bases! Or a base looking to try some new skills and improve your technique? This clinic is perfect for you! Some are flyer only, others are flyers and bases, so be sure to choose the correct clinic!

## OPEN GYM:

- Want to get some more tumbling reps in before you hit the tryout floor? Or stunt around with your friends and try some new stunt skills? Come on down to open gym! Coach monitored, but an open format to work on whatever you'd like to work on!

## SKILLS CLINICS:

- For those who want to work on all cheer skills associated with specific levels! These clinics will include stunting, tumbling, jumps and other cheer skills, as well as review the tryout mini routines, so athletes know exactly what to expect on tryout day! These will be split by level, so please be sure to sign up for the level that matches your tumbling and stunt level!

## JUMPS AND CONDITIONING:

- Nothing says prepared like showing up to tryouts with excellent jump technique! This clinic will be geared towards improving your jump flexibility and execution, as well as some conditioning to help improve in all athletic areas!

## GROUP CALL BACKS: May 18-21 and 25-28

At the group call backs, athletes will showcase their stunt skills with athletes who tried out with similar skill sets. Some athletes will be asked to attend multiple groups if their stunt and tumbling experience is at different levels. Group placement is not a final level placement, but an opportunity for coaches to evaluate everyone's stunt ability to place athletes on a team where they will see the most growth and success. Team placements will happen after group call backs, on May 31st. **All group call back sessions are required!**

## TRYOUT FREQUENTLY ASKED QUESTIONS:

- 1 How much do tryouts cost?**  
**Answer:** Tryouts are free if you register by May 6th!
- 2 What if I can't make it on tryout day?**  
**Answer:** We have make up tryouts on May 18th, or you can set up a private tryout, just email for more info to set one up!
- 3 What should I wear to tryouts?**  
**Answer:** These are recommendations! If you don't have an item (i.e. cheer shoes, bow etc), no worries! Athletic wear that you are comfortable tumbling in. Hair preferably pulled up (recommended high pony with a bow), and cheer shoes (if you don't have cheer shoes yet, then an athletic sneaker is fine!)
- 4 After I tryout and receive a call back group, do I come to every call back day?**  
**Answer:** No, each athlete will receive a call back group, and should only attend the call backs for their group (each group will have 1-2 days per week).
- 5 My athlete is only age eligible for Tiny Novice because they were born in 2022 or 2023, what should I expect for tryouts?**  
**Answer:** Since there is only one team they are age eligible for, athletes that are born in 2022 or 2023, tryouts are a formality and optional. If you'd like to attend tryouts, you are welcome to, otherwise you can request a registration payment link and we can get you signed up!
