

Regularly Scheduled Classes

I'm taking a break from regularly scheduled classes. Look for new class schedules starting in February.

I'm available for training by appointment for one on one or small groups for shooting skills, Minnesota Permit to Carry for new permits or Renewals and certified Security Officer training for pre-Assignment, Less Lethal Weapons, and Firearms.

Please contact me at 612-202-4518 or mewick@msn.com for more information
