

To our valued customers,

It is with a mix of emotions that we are announcing our last day will be Sunday 12/29/2024.

We received an offer for our building this past year that we simply could not pass up, and although we looked into relocating the restaurant, we were unable to secure a suitable space, and we made the difficult decision to permanently close the restaurant beginning Monday 12/30/2024.

Our family has enjoyed serving the Greater Warren area for the past 6 years, and we will miss the many friendly faces we have come to know during that time.

Many of you have shared our journey the past 2 1/2 years as Everett has made tremendous progress from his first 6 months in the NICU at Royal Oak Beaumont to being a healthy, happy, and robust 2-year-old boy. We expect his trach to come out in early 2025, and for his future to continue to be bright. Emerson started pre-school this year and is also doing well.

While this will be a big change for everyone, and we are sad to see Simple Palate come to an end, we are looking forward to this new chapter for our family.

***Thank you for your patronage and support,
Kevin and Carol Romanko
