Belonging to a local business group offers networking opportunities, promotion, knowledge exchange, and potential collaborations.

It can enhance visibility, foster community support, and provide a platform for shared resources and experiences, ultimately contributing to business growth and success.

Being a member can increase the visibility of your business and expand your reach to new audiences through your listing on easterndandenongranges.com.au and the credibility associated with the platform, including featured links on Visit Victoria, Visit Yarra Valley and What's on Cardinia.

Collectively, we have a stronger voice to advocate at a local Council level and the size of our membership is used to determine the funding support we receive, whether this be at the local, state or federal level.

No matter what type of business you operate, you are supported by a hands-on volunteer Committee and have a Membership Manager to assist you.

The Eastern Dandenong Ranges continues to grow both as a business and tourism region.
