Dear Jamie,

It is with great pleasure that I am able to announce to you that on Tuesday, August 4, 2020, at our general membership meeting, the members of IBEW Local 461 voted to endorse you in the upcoming election.

We believe that you understand organized labor's struggles, and our ongoing efforts to protect working men and women. Wages, pension plans, and apprenticeship training are constantly under attack. We need officials like you to ensure and protect the rights of our members.

Once again, on behalf of the officers, members and staff of IBEW Local 461, we are proud to endorse you and look forward to victory in November 2020.

If we can be of further assistance, please do not hesitate to contact us.

Sincerely,

Joel Pyle II  
Business Manager  
IBEW Local 461

## REPORT FOR THE YEAR

The following is a summary of the work of the International Women's Labor Union of the United States of America for the year 1934. The Union has continued its efforts to improve the conditions of women workers in various industries. It has organized new branches in several cities and has been active in the struggle for better wages, shorter hours, and safer working conditions. The Union has also been successful in securing the passage of certain labor laws in several states. The work of the Union has been hampered by the economic depression, but it has managed to maintain its activities and to continue its fight for the rights of women workers.
