

Topanga Canyon Docents & Malibu Creek Docents  
**37th Field Ecology Weekend**  
**April 29 & 30, 2023**

# SAVE THE DATE!

Docents, prospective docents, and other environmental educators from throughout the region are invited to attend the premier learning event of the year, **Field Ecology Weekend**, to be held at the group campground at Malibu Creek State Park on the weekend of **April 29 & 30, 2023**.

We have a packed program of workshops and walks led by nature-loving experts. Come camp for the weekend, enjoy the company of your fellow docents, and learn in a relaxed and beautiful environment.

Reservations are required and space is limited. **A registration form will be sent early in 2023 with instructions and details.**

**Cost:** There is a non-refundable fee of \$75 per adult (15 and older). Refunds will be made only if event is canceled (due to heavy rain, park fire closure or Covid issues).

Look for more information, including the program schedule, in early 2023. For now, mark it on your calendar and plan to attend. It's going to be great!
