

Call to Artists
Annual Members Art Show
April 14 – May 12, 2023

Challis Arts Council is inviting all current members to display their artwork at the 2022 Member Art Show that is part of our annual meeting. You can submit 3-5 pieces of your original art that will be considered for the show that opens April 14. We will display as much as space will allow.

We look forward to showcasing what Challis Arts Council members have done in their lives. We hope you will join us in celebrating the arts in our area by sharing your work and by attending the annual meeting April 14.

If you would like to participate in this show, and/or if you are interested in selling any pieces at the MadDog Gallery, **please respond immediately with your intent to participate.**

The consignment agreement along with your art must be at the MadDog Gallery no later than **April 7**. All items should be ready to display.

The Members Art Show ends on **May 12**, all artwork must be picked up by the artist.

See you soon,
