Advanced Lymphatic Therapy +\$130

Advanced Lymphatic Therapy is a specialized treatment that enhances the body's lymphatic system function using manual techniques, electro-lymphatic drainage, and detox therapies. It is designed to improve circulation, reduce swelling, detoxify the body, and boost immune function.

This therapy goes beyond traditional manual lymphatic drainage (MLD) by incorporating modern technologies such as Electro-Lymphatic Therapy (ELT) – which uses low-frequency vibrations, light, and sound waves to break up congestion in the lymphatic system.
